

Mogi Guaçu, September 23, 2021

To whom it may concern,

Ref.: Radiological Hazards Statement

We hereby inform that the ingredients supplied by Ingredion Brasil, as well as the raw materials and packaging used, are not irradiated.

The factories are not located in areas with a history of nuclear occurrence and do not have nuclear power plants in their vicinity, therefore, they are not susceptible to radiological accidents.

We are at your disposal for any further information.

Best regards,

Quality Assurance
