

Cost Saving

Beef Hot Dogs

| IDEA | SOLUTION |
|---|--|
| Create a cost-effective meat product to meet consumer demand for cleaner labelling without compromising on texture. | A cost-effective all-beef hot dog with a succulent texture and a reduced amount of E-numbers that consumers seek and expect. |

NOVATION® Uno 190 starch is a functional native potato starch for meat products. An effective clean label texturiser for highly cost-sensitive meat applications, it is designed for ease-of-use and demonstrates excellent water-binding properties.
