

# ACKNOWLEDGMENT AND ACCEPTANCE TO INGREDION'S CODE OF CONDUCT

We the undersigned hereby confirm that:

- a. We have received and read the content of the Supplier Code of Conduct, the Sustainable Code for Suppliers and the Business Conduct Policies applicable to Ingredion México S.A. de C.V., Ingredion Integra S.A. de C.V. and/or the companies that are part of the Ingredion Group (collectively and hereinafter "Ingredion")
- b. We are responsible for being up-to-date and be aware of all applicable laws and regulations in the country or countries in which Ingredion has operations or transactions.
- c. We will inform Ingredion in the event of any conflict or discrepancy between the Supplier Code and / or the Ingredion Policies of Business Conduct, Sustainable code for Suppliers and any applicable law or legal provision in the country or countries in which Ingredion operates.
- d. We will observe and adhere to the provisions and guidelines of the Supplier Code of Conduct, the Sustainable Code for Suppliers, and Ingredion's Business Conduct Policies.
- e. We will communicate to our employees, agents and subcontractors the Code of Conduct for Suppliers, Sustainable Code for Suppliers and the Policies of Conduct in the Ingredion Businesses and will ensure that they also comply with its provisions and guidelines.
- f. We will immediately report to Ingredion any breach or potential breach of the Supplier Code of Conduct, Sustainable Code for Suppliers and/or Ingredion's Business Conduct Policies.
- g. We will immediately take all appropriate actions to remedy any breach or possible breach of the Supplier Code of Conduct, Sustainable Code for Suppliers and/or Ingredion's Business Conduct Policies.

*The Provider acknowledges and carries out the declared activities, in strict compliance with the applicable national and international laws and regulations on anti-corruption, including the United States of America's Foreign Corrupt Practices Act or "FCPA, international treaties and conventions, and Ingredion's anti-corruption policies. The Supplier acknowledges and agrees that it has not received, accepted or used, any object of value in violation of the laws and regulations that are applicable to them regarding anti-corruption and no part of the compensation derived from the execution of the service has been used or It will be used to give a bribe or any other type of corrupt or improper payment, to any public official or political party in violation of the laws and regulations on anti-corruption. Additionally, they must provide their employees and contractors with mechanisms to report any suspicion or a real violation of the laws, regulations or principles mentioned above. In the case of Ingredion, any information that implies a violation of the laws, regulations or principles mentioned above must be reported directly or through the [Ingredion | EthicsPoint](#). In the same way, the supplier acknowledges that he has read and understood the Sustainable Code for Suppliers which can be found at [Ingredion | Sustainable Code For Suppliers](#), confirming his acceptance, adherence and commitment to comply with it. The breach by any supplier, customer, business partner, distributor or related third party, of any of the previous points, will result in a violation of the obligations contracted and therefore there will be no remedy and Ingredion may immediately terminate the business relationship through written notification without the need for a judicial statement and you will be entitled to the collection of damages that this generates.*
