

Customer Assurance Statement

IRRADIATION POLICY

This statement refers to all food products as supplied by any of the Ingredion EMEA Companies.

Irradiation is a physical treatment of food with high-energy, ionising radiation¹.

Each of the Ingredion EMEA Companies can confirm that the food products it supplies to you do not undergo irradiation treatment.

Please note, the information given in this statement is in relation to products supplied by any of the Ingredion EMEA Companies and is based upon their interpretation of relevant legislation. Although it is offered in good faith, the advice is not legal advice to you. It is therefore necessary that you satisfy yourself of the use and any labelling obligations, in accordance with relevant legislation, for your products as sold to the ultimate consumer. Each of the Ingredion EMEA Companies cannot accept any liability in this regard. The 'Ingredion EMEA Companies' are each of Ingredion UK Limited, Ingredion Germany GmbH, Ingredion Middle East Branch, Ingredion South Africa Pty Limited and Ingredion Holding LLC- Kenya Branch Office. Issued on behalf of each of the Ingredion EMEA Companies by Ingredion UK Limited.

Irradiation Policy

January 2023

¹ Directive 1999/2/EC concerning foods and food ingredients treated with ionising radiation, as amended
