

## Customer Assurance Statement

### Nanotechnology

This statement refers to all products supplied by any of the Ingredion EMEA Companies.

Each of the Ingredion EMEA Companies which supplies products to you, confirms that those products are not produced via nanotechnology<sup>1,2</sup>.

Please note, the information given in this statement is in relation to products supplied by any of the Ingredion EMEA Companies and is based upon their interpretation of relevant legislation. Although it is offered in good faith, the advice is not legal advice to you. It is therefore necessary that you satisfy yourself of the use and any labelling obligations, in accordance with relevant legislation, for your products as sold to the ultimate consumer. Each of the Ingredion EMEA Companies cannot accept any liability in this regard. The 'Ingredion EMEA Companies' are each of Ingredion UK Limited, Ingredion Germany GmbH, Ingredion Middle East Branch, Ingredion South Africa Pty Limited and Ingredion Holding LLC- Kenya Branch Office. Issued on behalf of each of the Ingredion EMEA Companies by Ingredion UK Limited.

<sup>1</sup> Regulation (EU) No 2015/2283 on novel foods, as amended; Def: “ ‘engineered nanomaterial’ means any intentionally produced material that has one or more dimensions of the order of 100 nm or less or that is composed of discrete functional parts, either internally or at the surface, many of which have one or more dimensions of the order of 100 nm or less, including structures, agglomerates or aggregates, which may have a size above the order of 100 nm but retain properties that are characteristic of the nanoscale. (Art 3 (f)).

<sup>2</sup>Commission Recommendation of 18 October 2011 (2011/696/EU) on the definition of nanomaterial.
