FoodChain ID[®] Non-GMO Global Standard For Traceability and Identity Preservation

This is to certify that

Ingredion Mexico – Guadalajara US1146-11

Calle Paraiso #1944 Colonia del Fresno.
Guadalajara, Jalisco
Mexico

Operates in conformance with the

FoodChain ID Non-GMO Global Standard version 7.2, demonstrating the organization's capability to produce non-GMO products, including the traceability and labelling of certified products. The systems and procedures which demonstrate compliance with the FoodChain ID Non-GMO Global Standard are validated through audit and supported by sampling and testing protocols. This certificate only validates the systems and procedures of the organization detailed above, and is not valid for trade and in particular, does not certify the Non-GMO status or traceability of any specific batch of product.

Scope of certification
