

**NON-GM**

18 April 2022

INGREDION (THAILAND) CO., LTD.  
Thailand

Product(s): NATIONAL 104

Dear Sirs,

In response to your inquiry, we are pleased to confirm that the above referenced product(s) does not require GMO labelling in accordance with the following regulations: -

- Regulation (EC) 1829/2003 on genetically modified food and animal feed
- Regulation (EC) 1830/2003 on the traceability and labelling of GMO

Thank you for your interest in Ingredion's products. Please contact us if we can be of any further assistance.

\*This statement is electronically generated from the APAC Regulatory Affairs Extranet. However, the issue date in this statement will reflect the Singapore time due to the configuration of the system.

These statements are provided by Ingredion (Thailand) Co., Ltd. based on available information in its possession as at the date of these letters. These statements are made under strict terms of confidentiality to the addressee only and are not to be relied upon or in any way used by any other third party. These statements further supersede all related previous statements issued by Ingredion (Thailand) Co., Ltd. in respect of the above subject matter. These statements apply to the products sold by Ingredion (Thailand) Co., Ltd.. Ultimately the customer must evaluate its own products prior to marketing or sale in order to determine whether these statements are appropriate for and continue to apply to the final product sold. The customer must also determine whether its products are suitable for their intended use.
