Statement of Genetic Modification Status
PRE-HYDRATED® TICALOSE® CMC 6000 Powder 75000808

PRODUCT IS CONSIDERED GENETICALLY MODIFIED

The **cotton** used in the manufacture of this product may be derived from genetically engineered raw materials regardless of genetically modified DNA is still present. We therefore classify this product as GMO. We do not conduct PCR testing on this product.

This product may still be considered not bioengineered (Not BE) based on USDA definition of bioengineered food.

We recommend that each customer should obtain independent regulatory and legal advice regarding the definition of "Non-GMO" or "NGMO" as required. Each customer is solely responsible for determining the nature and content of any claims that may or should appear on its own products and is solely responsible for compliance with all pertinent legal requirements worldwide.

Thank you for your interest in Ingredion's products.
