

**Statement of Genetic Modification Status  
TIC Pretested Gum Guar 8/22 A powder 38330903**

**PRODUCT IS NOT CONSIDERED GENETICALLY MODIFIED (NO COMMERCIALY AVAILABLE GM VARIETIES IN SUPPLY CHAIN)**

This product is produced without the use of genetic engineering and the products' raw ingredient constituents are not derived from genetically modified organisms. In addition, this product does not require labeling as a bio-engineered food under the United States Department of Agriculture National Bioengineered Food Disclosure Standard.

The above-mentioned product has been reviewed and falls within the following category:

Non-GMO: Commodities that do not have commercially available GENETICALLY MODIFIED varieties in the supply chain.

Please note that these items are not guaranteed to meet the definition of non-GMO under the European Union Regulations (EC) No. 1829/2003 and 1830/2003. Further we do not supply non-GMO documentation or traceability statements for these products. The intent of this information is to support our customers efforts to develop and implement an appropriate labeling strategy for products containing Ingredion Incorporated ingredients or additives. In all respects, the ultimate decision on how to identify and label ingredients or additives remains with our customers.

We recommend that each customer should obtain independent regulatory and legal advice regarding the definition of "Non-GMO" or "NGMO" as required. Each customer is solely responsible for determining the nature and content of any claims that may or should appear on its own products and is solely responsible for compliance with all pertinent legal requirements worldwide.

Thank you for your interest in Ingredion's products.
