RECOMMENDED CASH OFFER FOR TATE & LYLE PLC ("TATE & LYLE") BY INGREDION

I understand that Ingredion intends to announce a firm intention to acquire the entire issued and to be issued ordinary share capital of Tate & Lyle (the "**Acquisition**") by way of a scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Companies Act**") (including any new, increased, renewed or revised scheme of arrangement, the terms of which are at least as favourable to Tate & Lyle shareholders as the Rule 2.7 Announcement) (the "**Scheme**") substantially on the terms and conditions set out or referred to in the draft press announcement attached to this deed (the "**Rule 2.7 Announcement**"), together with such additional terms and conditions as may be required to comply with any applicable law and regulation and the City Code on Takeovers and Mergers (the "**Code**") or such non-material additional terms and conditions as may be agreed in writing between Ingredion and Tate & Lyle.

I also understand that Ingredion may, with the consent of the UK Panel on Takeovers and Mergers (the "**Panel**"), and subject to the terms of the Co-Operation Agreement (as defined in the Rule 2.7 Announcement) at any time elect to implement the Acquisition by means of a takeover offer (as such term is defined in section 974 of the Companies Act (including any new, increased, renewed or revised takeover offer, the terms of which are at least as favourable to Tate & Lyle shareholders as the original offer, the "**Takeover Offer**").

In consideration of Ingredion releasing the Rule 2.7 Announcement, I irrevocably and unconditionally represent, warrant and undertake to Ingredion that:

1. INTERESTS IN TATE & LYLE SHARES

1.1 As at the date of this deed:

- (a) I am the registered holder and/or the beneficial owner of (or am otherwise able to control the exercise of) all rights attaching to all the American depositary receipts that are listed on OTCQX under the trading symbol TATYY in Tate & Lyle as set out in the first column of the table in Schedule 1 to this deed ("**ADRs**"), which are free from all liens, equities, charges, encumbrances, options, rights of pre-emption, and any other third party rights;

- (c) each ADS represents a unit of beneficial ownership in four ordinary shares of 29 1/4 pence each in the capital of Tate & Lyle and, through my holding of ADRs, I am the beneficial owner of the number of such ordinary shares as set out in Schedule 1 to

this deed ("**Underlying Tate & Lyle Shares**" which expression shall include any further issuances of ADSs pursuant to the terms of the Deposit Agreement);

- (d) the first column of the table in Schedule 1 to this deed represents a complete and accurate list of all the ADRs and other securities in Tate & Lyle of which I am the beneficial owner or otherwise able to control the exercise of all rights attaching to them;

1.2 I am not interested in, or otherwise able to control the exercise of any rights attributable to, any other securities of Tate & Lyle other than the ADRs and ADSs.

1.3 I have full power and authority and the right (free from any legal or other restrictions), and will, at all times, continue to have all relevant power, authority and the right to enter into and perform my obligations under this deed in accordance with its terms.

1.4 I hereby undertake to:

- (a) instruct the Depositary to comply with; and
- (b) if, and only to the extent that, I (i) convert any of my holding of Underlying Tate & Lyle Shares from the form of ADRs into registered or beneficial holdings in my name of ordinary shares of 29 ½ pence each in the capital of Tate & Lyle ("**Tate & Lyle Shares**"), or (ii) become the registered or beneficial holder of any Tate & Lyle Shares (for the avoidance of doubt, not in the form of ADRs) before this deed lapses in accordance with paragraph 8, I shall comply with,

the obligations set out in paragraphs 2.1(c), 2.1(d), 2.1(f), 2.3, 3, and 4, and, for the avoidance of doubt, such paragraphs shall be of no effect until such time.

- (a) except pursuant to the Scheme, or the surrender of the ADRs and/or the ADSs to the Depositary against delivery of the Underlying Tate & Lyle Shares, sell, transfer, charge, encumber, pledge, grant any option or other right over or otherwise deal in, dispose of, or permit the sale, transfer, charging, encumbering, granting of any option or other right over or other disposal of any of the ADRs, ADSs or Underlying Tate & Lyle Shares or interest in the ADRs, ADSs or Underlying Tate & Lyle Shares except under the Acquisition, or accept any other offer in respect of all or any of the ADRs, ADSs or Underlying Tate & Lyle Shares or any other interest in any of the ADRs, ADSs or Underlying Tate & Lyle Shares;

- (ii) or otherwise consent to any matter for the purposes of Rule 21.1 of the Code, unless otherwise agreed to in writing between Ingredion and Tate & Lyle;
- (d) requisition, or join in requisitioning, any General Meeting (as defined below) which could (or could reasonably be expected to) frustrate, impede, restrict, or delay implementation of the Acquisition;
- (e) except by acquisition under an existing dividend reinvestment plan, acquire or otherwise deal or undertake any dealing in any interest in shares or securities of Tate & Lyle, unless the Panel determines and confirms to you that in respect of such acquisition or dealing, I am not acting in concert with you under Note 9 on the definition of "acting in concert" set out in the Code, and, if such interest is acquired by me, such interest shall be deemed to be included in the expression "Tate & Lyle Shares" for the purpose of this deed;
- (f) enter into any agreement or arrangement or incur any obligation (or permit such circumstances to occur):

2.3 If and to the extent there is any restriction on my ability to transfer (or procure the transfer of) the Underlying Tate & Lyle Shares, I shall exercise or, where applicable, procure the exercise of, all rights attaching to the Underlying Tate & Lyle Shares to:

- (a) vote (whether on a show of hands or a poll and whether in person or by proxy) in favour of any and all resolutions (whether or not amended) proposed at any meeting of the holders of shares in Tate & Lyle and/or any separate class meeting of the holders of the class of Tate & Lyle shares (including any adjournments or postponements thereof, each a "**General Meeting**") which are required to remove or give effect to the removal of any such restriction insofar as it relates to the Acquisition and take (or procure the taking of) all other actions available to me in my capacity as a holder of the Underlying Tate & Lyle Shares to give effect to the foregoing; and
- (b) requisition, or join in the requisitioning of, any General Meeting for the purpose of voting on any resolution referred to under paragraph 2.3(a) above, or to require Tate & Lyle to give notice of such meeting.

3. **SCHEME**

3.1 I shall exercise (or procure the exercise of) all voting rights (whether on a show of hands or a poll and whether in person or by proxy) attaching to the Underlying Tate & Lyle Shares:

- (a) at any meeting of the holders of Tate & Lyle shares ("**Tate & Lyle Shareholders**") to be convened by order of the High Court of Justice in England and Wales (including any adjournments or postponements thereof, the "**Court Meeting**"), in favour of any and all resolutions (whether or not amended) at the Court Meeting to approve the Scheme; and
- (b) at any General Meeting which is convened by Tate & Lyle in connection with the Scheme, in favour of any and all resolutions (whether or not amended) at each General Meeting to approve the Scheme and all related matters (including but not limited to the proposed amendments to the articles of association of Tate & Lyle).

3.2 As soon as practicable and in any event not later than 1:00 p.m. BST on the date falling ten Business Days after the deemed date of receipt of (i) the formal document containing the notice of the Court Meeting and the General Meeting (the "**Scheme Document**") and (ii) the accompanying forms of proxy, I shall:

- (a) fully complete, execute and deliver to Tate & Lyle's registrars (or procure the execution and delivery to Tate & Lyle's registrars of) such forms of proxy in accordance with the instructions printed on such forms of proxy; and
- (b) in respect of any Tate & Lyle Shares in uncertificated form, take (or procure the taking of) any action to make a valid proxy appointment and give valid proxy instructions,

4. **TAKEOVER OFFER**

If the Acquisition is implemented by way of a Takeover Offer:

- 4.1 I shall, as soon as practicable and in any event not later than 1:00 p.m. BST on the date falling ten Business Days after the deemed date of receipt of the formal document containing the Takeover Offer (the "**Takeover Offer Document**") (or, in respect of any securities in Tate & Lyle allotted to me after the posting of the Takeover Offer Document, within ten Business Days of such allotment or acquisition), duly accept (or procure the acceptance of) the Takeover Offer in respect of the Underlying Tate & Lyle Shares in accordance with its terms and, in respect of any Tate & Lyle Shares held in certificated form, shall forward the relevant share certificate(s) to Ingredion or its nominated representative (and/or a form of indemnity acceptable to Ingredion, acting reasonably, in respect of any lost shares certificate(s) at the time of acceptance) and, in respect of any Tate & Lyle Shares held in uncertificated form, shall take any action which may be reasonably required by Ingredion or its nominated representative.
- 4.2 Notwithstanding that the terms of the Takeover Offer Document will confer rights of withdrawal on accepting Tate & Lyle Shareholders, I shall not amend, withdraw or revoke, or procure the amendment, withdrawal or revocation of any acceptance of the Takeover Offer in respect of the Underlying Tate & Lyle Shares and shall procure that no rights to withdraw any acceptance in respect of the Underlying Tate & Lyle Shares are exercised.

5. **VOTING**

- (a) to the effect that the text or terms of the resolutions to be proposed at the General Meeting to approve the Scheme and all related matters be amended;
- (b) to adjourn the General Meeting; or
- (c) to approve any scheme of arrangement or other transaction which is proposed in competition with the Acquisition,

unless Ingredion directs me otherwise (and if Ingredion does direct me otherwise then I will exercise (or procure the exercise of) the voting rights attached to the Underlying Tate & Lyle Shares in accordance with Ingredion's directions).

6. **POWER OF ATTORNEY**

- 6.1 In order to secure the performance of my obligations in this deed, I shall (and, where applicable, shall procure that the registered holder of the Underlying Tate & Lyle Shares shall) irrevocably appoint each director of Ingredion severally as my attorney in my name or otherwise and on my behalf to do all things and to sign, execute, deliver and submit (as applicable) all deeds and other documents as may be necessary or desirable in relation to any obligations contained in this deed and the implementation of the Acquisition if and to the extent I have failed to take any necessary actions by 1.00 p.m. BST on the Business Day after the relevant deadline set out within this deed, including without limitation to vote in favour of/accept the Acquisition in respect of the Underlying Tate & Lyle Shares and to execute any form of proxy required by Ingredion appointing any person nominated by Ingredion to attend and vote at any General Meeting. I irrevocably undertake to ratify and confirm any act properly performed by any such attorney in accordance with the terms of this paragraph 6.

7. INFORMATION AND DOCUMENTATION

- 7.1 I shall promptly provide such information relating to me as may be reasonably requested in order to comply with the rules of the Code and the London Stock Exchange, the Companies Act, the Financial Conduct Authority and any other legal or regulatory requirements ("**Applicable Law**") and consent to the public disclosure of such information if such disclosure is required by Applicable Law.
- 7.2 I understand that the information provided to me in connection with the Acquisition is given in confidence and must be kept confidential, except as required by Applicable Law, until such time as the Rule 2.7 Announcement is released or the information has otherwise become generally or publicly available. If and to the extent such information is inside information for the purposes of the Criminal Justice Act 1992 or the Market Abuse Regulation (EU) No 596/2014 (as it forms part of assimilated law as defined in the EU (Withdrawal) Act 2018 in the United Kingdom), I shall comply with the applicable restrictions in such enactments on dealing in securities and disclosing inside information.
- 7.3 I shall promptly after becoming aware of the same, notify Ingredion in writing of any material change in the accuracy or import of any information previously supplied to Ingredion by me.
- 7.4 I consent to the inclusion of references to me and the provisions of this deed in the Rule 2.7 Announcement, the Scheme Document (or the Takeover Offer Document as the case may be) and any document in connection with the Acquisition that is required by the Code or any other legal or regulatory requirements.
- 7.5 I understand and agree that, in accordance with the Code, this deed may be disclosed to the Panel, particulars of this deed and disclosable holdings of, and dealings in, relevant securities of Tate & Lyle and Ingredion will need to be publicly disclosed and will also be contained in the Scheme Document (or Takeover Offer Document, as the case may be) and that, in accordance with Rule 26 of the Code, copies of this deed will be available for inspection until the Acquisition becomes effective.

8. TERMINATION

- 8.1 All of my obligations under this deed shall, without prejudice to any prior breaches, lapse and cease to have effect if (i) the Rule 2.7 Announcement is not released by 5:00 p.m. BST on 8 June 2026 (or such later date as Tate & Lyle and Ingredion may agree, with the consent of the Panel if required); (ii) Ingredion announces, with the consent of the Panel, and before the Scheme Document is published, that it does not intend to proceed with the Acquisition and no new, revised or replacement Scheme is announced by Ingredion in accordance with Rule 2.7 of the Code; (iii) the Scheme Document (or offer document, as applicable) is not published by within 28 days of the date of issue of the Rule 2.7 Announcement (or such later date as the Panel may agree); (iv) the Scheme or a Takeover Offer (as the case may be) has lapsed or been withdrawn (for the avoidance of doubt, this shall not apply where the Scheme lapses or is withdrawn solely as a result of Ingredion exercising its right to implement the Acquisition by way of a Takeover Offer rather than a Scheme) and no new, revised or replacement Scheme or Takeover Offer has been announced by Ingredion or its affiliates in accordance with Rule 2.7 of the Code at the same time; or (v) any competing offer for the issued and to be issued ordinary share capital of Tate & Lyle is made which becomes or is declared unconditional (if implemented by way of Takeover Offer) or otherwise becomes effective (if implemented by way of a Scheme).
- 8.2 If this undertaking lapses, I shall have no claim against Ingredion.

8.3 On the termination of this deed, I shall have no claim against Ingredion and neither shall Ingredion have any claim against me, save in respect of any prior breach of this undertaking. This paragraph 8.3 shall survive the lapse of this deed.

9. **GENERAL**

9.1 I acknowledge that the release of the Rule 2.7 Announcement is at Ingredion's absolute discretion and, in particular, Ingredion reserves the right not to release the Rule 2.7 Announcement unless the board of Tate & Lyle agrees to recommend the Acquisition. For the avoidance of doubt, nothing in this deed shall oblige Ingredion to announce or effect the Acquisition.

9.2 Any date, time or period referred to in this deed shall be of the essence except to the extent to which Ingredion and I agree in writing to vary any date, time or period, in which event the varied date, time or period shall be of the essence.

9.3 This deed shall be binding on my successors and assigns.

9.4 I confirm that I have been given an adequate opportunity to consider whether or not to give this undertaking and to obtain independent advice.

9.5 Except to the extent otherwise specified, my obligations set out in this deed are unconditional and irrevocable.

9.6 With regard to any of the Underlying Tate & Lyle Shares not registered in my name, the confirmations, warranties and undertakings contained in this deed are given by me on behalf of the registered holder(s) and I undertake to ensure the compliance by such person(s) with those confirmations, warranties and undertakings.

9.7 In this deed, references to an "interest" in securities shall have the meaning given to such term in the Code and all references to time are to London time. For the avoidance of doubt, a reference to the "Acquisition" also includes any new, increased, renewed or revised offer made by Ingredion to acquire shares in Tate & Lyle.

9.8 In this deed, references to a "Business Day" shall mean a day (other than a Saturday or Sunday) on which banks are open for general business in London and New York.

9.9 A person who is not party to this deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this deed but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

9.10 Nothing in this undertaking shall constitute an obligation for me, in my capacity as a director of Tate & Lyle, to take any action which is not permitted by Practice Statement No 29 issued by the Panel with respect to Rule 21.2 of the Code. You recognise that in my capacity as a director of Tate & Lyle I owe fiduciary duties to Tate & Lyle and I have duties under the Code (together the "**Legal Duties**") and accordingly nothing in this deed will require or oblige me to do or refrain from doing any act or thing which would have the effect of contravening those Legal Duties.

9.11 The invalidity, illegality or unenforceability of any provision of this deed shall not affect the continuation in force of the remainder of this deed.

9.12 This deed contains the whole agreement between Ingredion and me relating to the subject matter of this deed at the date hereof to the exclusion of any terms implied by law which may be excluded by contract. I acknowledge that I have not been induced to sign this deed by any representation, warranty or undertaking not expressly incorporated into it.

9.13 I agree that damages may not be an adequate remedy for breach of this deed and accordingly, without prejudice to any other remedies to which Ingedion may be entitled, that Ingedion shall be entitled to seek the remedies of specific performance, injunction or other equitable relief and no proof of special damages shall be necessary for the enforcement by Ingedion of its rights.

9.14 I agree that this deed (and any dispute, controversy, proceedings or claim of any nature arising out of or in connection with it, including non-contractual disputes and claims) shall be governed and construed in accordance with English law. I agree to irrevocably submit to the exclusive jurisdiction of the English courts over any claim, dispute or matter arising under or in connection with this deed or its enforceability or the legal relationships established by this deed (including non-contractual disputes or claims) and waive any objection to proceedings being brought in such courts on the grounds of venue or on the grounds that proceedings have been brought in an inconvenient forum.

IN WITNESS whereof this document has been duly executed and delivered as a deed on the date above mentioned.

RECOMMENDED CASH ACQUISITION

of

TATE & LYLE PLC ("TATE & LYLE")

by

INGREDION INCORPORATED ("INGREDION")

to be effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006

Summary

- The boards of Ingredion and Tate & Lyle are pleased to announce that they have reached agreement on the terms and conditions of a recommended cash offer by Ingredion for the entire issued and to be issued ordinary share capital of Tate & Lyle (the "**Acquisition**").
- Under the terms of the Acquisition, Tate & Lyle Shareholders will be entitled to receive in aggregate:
 - **595 pence in cash** per Tate & Lyle Share (the "**Cash Consideration**"); plus
 - a final dividend in relation to the financial year ended 31 March 2026 of no greater than 13.2 pence per ordinary Tate & Lyle Share (the "**2026 Final Dividend**"); plus
 - an interim dividend in relation to the six-month period ended 30 September 2026 of no greater than 6.8 pence per ordinary Tate & Lyle Share (the "**2027 Interim Dividend**" and together with the 2026 Final Dividend, the "**Permitted Dividends**").
- The Cash Consideration values the entire issued and to be issued share capital of Tate & Lyle at approximately £2.7 billion (\$3.6 billion) on a fully diluted basis, with an implied enterprise value of £3.7 billion (\$5.0 billion), and represents a premium of approximately:
 - 58.7 per cent. to the closing share price of Tate & Lyle Shares on 13 May 2026 (being the last Business Day prior to the start of the Offer Period) (the "**Undisturbed Date**");
 - 65.2 per cent. to the volume-weighted average price of Tate & Lyle Shares for the three months ended on the Undisturbed Date; and
 - 61.6 per cent. to the volume-weighted average price of Tate & Lyle Shares for the six months ended on the Undisturbed Date.
- The total value of the Cash Consideration and Permitted Dividends of up to 615 pence per Tate & Lyle Share represents a headline offer premium of approximately:
 - 64.0 per cent. to the closing share price of Tate & Lyle Shares on the Undisturbed Date;

- 70.8 per cent. to the volume-weighted average price of Tate & Lyle Shares in the three months ended on the Undisturbed Date; and
- 67.0 per cent. to the volume-weighted average price of Tate & Lyle Shares in the six months ended on the Undisturbed Date.
- The Cash Consideration and Permitted Dividends (assuming the Permitted Dividends are declared and paid in full) together value the entire issued and to be issued share capital of Tate & Lyle at approximately £2.8 billion on a fully diluted basis with an implied enterprise value of £3.8 billion.
- The Permitted Dividends will be paid (subject to the approval of the Tate & Lyle Directors and, in the case of the 2026 Final Dividend, the requisite approval of Tate & Lyle Shareholders) in line with Tate & Lyle's ordinary course 2026 and 2027 financial year dividend calendars, in each case without any reduction in the Cash Consideration payable under the Acquisition. If, on or after the date of this announcement and before the Effective Date, any dividend and/or other distribution and/or other return of capital (other than the Permitted Dividends) is declared, made or paid or becomes payable in respect of Tate & Lyle Shares, Ingredion reserves the right to reduce the Cash Consideration by an amount up to the amount of such dividend and/or distribution and/or return of capital, in which case any reference in this announcement to the Cash Consideration will be deemed to be a reference to the Cash Consideration as so reduced. Any exercise by Ingredion of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.
- The Tate & Lyle Directors unanimously intend to recommend the Acquisition.
- Irrevocable undertakings to vote in favour of the Scheme (and if Ingredion, subject to the consent of the Panel and the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingredion) have been received in respect of an aggregate of 76,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs) representing approximately 17.1 per cent. of the existing issued ordinary share capital of Tate & Lyle as at 5 June 2026 (being the last Business Day prior to the date of this announcement) ("**Latest Practicable Date**").
- It is intended that the Acquisition will be implemented by way of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (although Ingredion reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement). The Conditions to the Acquisition (including the Material Antitrust Conditions highlighted in paragraph 6) are set out in full in Appendix 1 to the full announcement.

Recommendation of the Tate & Lyle Directors

- **The Tate & Lyle Directors, who have been so advised by Goldman Sachs and Greenhill as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Tate & Lyle Directors, Goldman Sachs and Greenhill have taken into account the commercial assessments of the Tate & Lyle Directors. Goldman Sachs and Greenhill are providing independent financial advice to the Tate & Lyle Directors for the purposes of Rule 3 of the Takeover Code.**
- **Accordingly, the Tate & Lyle Directors intend to recommend unanimously that Tate & Lyle Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (and if Ingredion, with the consent of the Panel**

and subject to the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingredion) as the Tate & Lyle Directors who hold Tate & Lyle Shares or Tate & Lyle ADSs have irrevocably undertaken to do in respect of their own beneficial holdings (and the beneficial holdings of their close relatives and related trusts), being, in aggregate, 1,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs), representing approximately 0.3 per cent. of the existing issued ordinary share capital of Tate & Lyle as at the Latest Practicable Date.

Background to and reasons for the Recommendation of the Tate & Lyle Directors

Tate & Lyle today and its strategic transformation

- Tate & Lyle is a speciality food and beverage solutions business. Powered by over 165-years of science and ingredient innovation, Tate & Lyle partners with customers to meet growing consumer demand for healthier, more nutritious and sustainable food and drink. Through its leading expertise in sweetening, mouthfeel and fortification, Tate & Lyle develops ingredients and solutions which reduce sugar, calories and fat, and add fibre and protein to food and drink, across categories including beverage, dairy, bakery and snacks, and soups, sauces, and dressings. Tate & Lyle's purpose is Transforming Lives through the Science of Food. By living its purpose, and through its broad product portfolio, solutions expertise and deep understanding of the global food and beverage market; Tate & Lyle helps to address key societal challenges such as obesity, diabetes, nutritional deficiency and the impact of climate change.
- In recent years, Tate & Lyle has successfully completed a major strategic and structural transformation. Through two transactions completed in April 2022 and June 2024, Tate & Lyle sold its Primary Products ("**Primient**") commodity business in the Americas to KPS Capital Partners, LLP. Tate & Lyle then acquired CP Kelco, a leading global provider of pectin and speciality gums in November 2024 to create a leader across its sweetening, mouthfeel and fortification platforms with a unique product portfolio and enhanced formulation capabilities significantly increasing Tate & Lyle's ability to be a solutions partner of choice for its customers. Together, the Primient disposal followed by the CP Kelco acquisition, transformed Tate & Lyle into a growth-focused leading and differentiated speciality food and beverage solutions business, directly aligned with attractive structural and growing consumer trends for healthier, more nutritious and sustainable food and drink. Following this strategic transformation, Tate & Lyle now has around 5,000 employees working in 75 locations in 37 countries, serving customers in more than 120 countries.
- In July 2025, having successfully completed its strategic transformation, Tate & Lyle presented an updated medium-term strategic roadmap, aiming to accelerate growth through the powerful combination of its enlarged portfolio, and deliver attractive returns to shareholders. Tate & Lyle outlined a medium-term financial algorithm, targeting 4-6 per cent. organic revenue growth, Adjusted EBITDA growth ahead of Revenue, and Adjusted EPS growth ahead of Adjusted EBITDA, while maintaining free cash flow conversion greater than 75 per cent., and maintaining a strong balance sheet, targeting net debt to EBITDA of 1.0x to 2.5x.

Outlook for Tate & Lyle

- Despite the strong, fundamental long-term growth drivers for the ingredients sector, over the last year the operating environment for ingredients companies and their customers has deteriorated, with consumer sentiment weakening across all major regions. Amid slowing near-term growth, Tate & Lyle and several listed Ingredients and CPG companies across the food and beverage sector have lowered guidance and expectations for near-term future performance.

- In October 2025, Tate & Lyle outlined the impact of this slowing demand in the North American and European markets on Tate & Lyle Group revenue and earnings growth. At the end of a financial year which featured a number of challenges including softer market demand than anticipated, an increasingly complex geopolitical landscape and the integration of two large global businesses, Tate & Lyle delivered 3 per cent. revenue decline and 3 per cent. pro forma Adjusted EBITDA decline for the year ended 31 March 2026, in line with expectations (as outlined in October 2025). During its 2026 financial year, Tate & Lyle delivered over \$50 million of productivity savings and increased the target for its 5-year productivity programme by a further \$50 million to deliver \$200 million of savings by the end of the 2028 financial year. The Tate & Lyle Group also met its CP Kelco combination \$50 million annualised run-rate synergy target a year ahead of plan as it completed the integration of the CP Kelco business and began to illustrate the power of the combination by driving increased levels of customer traction and an enlarged new business pipeline.
- Given the continued challenging economic backdrop and muted market demand, the near-term priorities for Tate & Lyle are to drive volume-led growth and strengthen financial performance through four priority actions focused on: (i) targeted investments to accelerate customer wins; (ii) delivering the full benefits of the CP Kelco combination; (iii) accelerating productivity across the enlarged Tate & Lyle Group; and (iv) continued balance sheet focus aligned with clear capital allocation priorities.
- As announced in the Tate & Lyle FY26 Financial Results, Tate & Lyle expects to deliver for the year ending 31 March 2027 (on a constant currency basis), modest revenue growth underpinned by volume growth, weighted to the second half, and broadly flat EBITDA before the c.\$20 million impact of the rescheduling of the consolidation of bio-gums capacity. Tate & Lyle's outlook assumes a limited impact from the conflict in the Middle East, and it is taking actions to mitigate cost inflation through a range of initiatives including procurement activities, operational discipline and pricing action.
- The Tate & Lyle Board remains fully confident in the ongoing execution of its strategic plan and that its successful delivery through volume-led growth and strengthened financial performance will create value for the Tate & Lyle Shareholders over time. However, the financial performance in the 2026 financial year was disappointing and, while actions are being taken with urgency to return the business to top-line growth, the continuation of the current challenging market environment creates risks and uncertainties in the timing of delivery of Tate & Lyle's financial algorithm.

Proposal from Ingredion and considerations in respect of the Acquisition

- The Tate & Lyle Board was not seeking and did not solicit an offer for Tate & Lyle, though it regularly considers all options for driving and improving shareholder value. The initial unsolicited proposal received from Ingredion at 530 pence per Tate & Lyle Share (at a consideration comprising 80 per cent. cash and 20 per cent. shares of Ingredion) was not at a level which the Tate & Lyle Board felt reflected an appropriate valuation of Tate & Lyle and its future prospects. Following four further proposals from Ingredion, the Board negotiated a proposal which delivers total value of up to 615 pence per Tate & Lyle Share in cash to Tate & Lyle Shareholders comprising cash consideration of 595 pence per Tate & Lyle Share, a final dividend for the financial year to 31 March 2026 of up to 13.2 pence per Tate & Lyle Share and an interim dividend for the six months to 30 September 2026 of up to 6.8 pence per Tate & Lyle Share. The Tate & Lyle Directors felt that this proposal from Ingredion required more detailed consideration.

- In considering the financial terms of the Acquisition and determining whether they reflect an appropriate valuation of Tate & Lyle and its future prospects, the Tate & Lyle Board took into account several factors including that:
 - the Acquisition reflects the strength of Tate & Lyle's business and its future prospects, and provides an opportunity for Tate & Lyle Shareholders to crystallise, in cash, the value of their investments at a fair and reasonable value;
 - the total value of up to 615 pence per Tate & Lyle Share represents an attractive premium of:
 - 64.0 per cent. to the Closing Price of Tate & Lyle Shares on the Undisturbed Date;
 - 70.8 per cent. to the volume-weighted average price of Tate & Lyle Shares in the three months ended on the Undisturbed Date; and
 - 67.0 per cent. to the volume-weighted average price of Tate & Lyle Shares in the six months ended on the Undisturbed Date;
 - the Cash Consideration and Permitted Dividends (assuming the Permitted Dividends are declared and paid in full) implies an enterprise value of approximately 9.1 times Tate & Lyle's Adjusted EBITDA for the 12 months ended 31 March 2026;
 - the certainty of the Acquisition should be weighed against the inherent uncertainty of the delivery of future value that exists in the business, particularly in the near-term, given the current uncertainty in the global macroeconomic environment, suppressed consumer sentiment and the markets in which Tate & Lyle operates; and
 - the Acquisition is expected to deliver more risk-adjusted near-term value to Tate & Lyle Shareholders than other strategic options considered by the Tate & Lyle Board.
- Accordingly, while the Tate & Lyle Board remains confident in its ability to deliver attractive value for the Tate & Lyle Shareholders over the medium to long term, the Tate & Lyle Directors believe that the financial terms of the Acquisition represent an attractive opportunity for Tate & Lyle Shareholders to realise a certain cash value for their investment on completion of the Acquisition relative to the risks inherent in the execution of Tate & Lyle's strategy.
- The Tate & Lyle Board has also carefully considered the execution certainty associated with the Acquisition. The commitments provided by Ingredion to satisfy the regulatory Conditions, including the undertaking to take all necessary steps to satisfy the regulatory Conditions as soon as reasonably practicable and in sufficient time to enable completion to occur at least three months prior to the Long Stop Date, subject only to the Regulatory Undertaking Carve-out, were important considerations in the Tate & Lyle Board's assessment of the Acquisition and its decision to recommend the Acquisition to the Tate & Lyle Shareholders.
- In considering the Acquisition, the Tate & Lyle Board has taken into account Ingredion's stated intentions for the business and all its stakeholders, including its employees, customers, and broader network of stakeholders.
- Following careful consideration of the financial terms of the Acquisition and the commitments made by Ingredion to manage transaction execution risks, the combination of value and certainty that the terms of the Acquisition provide to Tate & Lyle Shareholders, and the above factors, the Tate & Lyle Directors intend to unanimously recommend that Tate & Lyle Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting, as the Tate & Lyle Directors who hold Tate & Lyle Shares or

Tate & Lyle ADSs (and those of their spouse, minor children and/or related trusts (if applicable)), amounting in aggregate to 1,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs) representing approximately 0.3 per cent. of the issued share capital of Tate & Lyle as at the Latest Practicable Date.

Background to and reasons for the Acquisition by Ingredion

- Ingredion believes that the Acquisition of Tate & Lyle represents a compelling opportunity to accelerate its customer solutions-led growth strategy to create a scaled specialty ingredients platform.
- The combination would bring together complementary portfolios, technical expertise and geographic networks. Together, Ingredion and Tate & Lyle would be better placed to help customers address growing consumer demand for food and beverage products that are affordable, nutritious and high-quality. The combination also brings together a broader portfolio of specialty non-food ingredients for customers in the paper making, pharmaceutical, personal, and home care segments.
- The Acquisition offers strategic, operational and financial benefits, that include:
 - **Bolstering Ingredion's portfolio and creating significant strategic growth opportunities**
 - Broadens Ingredion's specialty ingredients platform across texturants, sugar reduction, and fortification.
 - Adds complementary capabilities for multi-ingredient systems and recipe development.
 - Expands Ingredion's ability to address customer needs across a wider range of end use categories and applications.
 - **Creating a complementary and differentiated portfolio for texture and sugar reduction**
 - Combines Ingredion's texture and sugar reduction capabilities with Tate & Lyle's expertise in mouthfeel, sweetening, and fortification.
 - Positions the Combined Group to better help customers address growing consumer demand for food and beverage products that are safe, high quality, affordable, great tasting, and healthier.
 - **Diversifying Ingredion's global platform with critical scale in North America, Europe and Emerging Markets**
 - Brings together complementary geographic supply networks across the Americas, Europe, the Middle East and Africa, and Asia Pacific.
 - Delivers faster, more reliable and cost-effective ingredients and solutions for customers and consumers worldwide.
 - Enhances local market insights to better anticipate regional customer needs and consumer preferences.
 - **Delivering solutions for diverse consumer needs across the value chain**

- Combines applications expertise, customer-led formulation capabilities and expanded customer centric data insights to deliver more integrated, higher-value ingredient solutions at an affordable price for end consumers.
- Enables closer partnership with customers – from concept development through to commercialization – by building cost-effective bespoke ingredient solutions to meet customer needs, and by deepening Ingredion’s innovation and formulation capabilities while accelerating and optimizing speed-to-market.
- **Enhancing IP and technological capabilities to drive innovation**
 - Unifies two respected brand names with more than a century of history, each known for innovation, quality, service, and trust in the ingredients space.
 - Combines complementary IP, technology, talent and applications capabilities to support faster innovation and next-generation ingredient systems development.
 - Enhances the ability to develop systems-based solutions across mouthfeel, sweetening, and fortification, including solutions that support healthier product offerings.
- **Delivering significant financial benefits and value creation under a prudent financial structure**
 - The Combined Group would represent approximately \$9.9 billion of revenue, adjusted EBITDA of \$1.8 billion, and have significantly improved free cash flow conversion.
 - The Cash Consideration implies a pre-synergy total enterprise value to adjusted EBITDA (pre-share-based payments) multiple of approximately 8.8 times, with significant benefits expected in the form of cost synergies.
 - The integration is expected to deliver significant run-rate net cost synergies of approximately \$130 million, which are expected to be fully realized by the end of 2030. The one-off costs to achieve these annual cost savings are expected to amount to approximately \$175 million in aggregate by the end of 2030.
 - The potential sources of cost synergies are expected to be derived from selling, general and administrative expenses (approximately 60 per cent) as well as cost of goods sold (approximately 40 per cent) and will be achieved from Ingredion and Tate & Lyle’s combined businesses through a combination of:
 - procurement savings;
 - network flow optimizations;
 - logistics & warehousing;
 - operating & IT expenses; and
 - management & public company cost savings.
 - The Acquisition is expected to be accretive to adjusted EPS by more than 15 per cent. in the first full fiscal year following the Effective Date.

- The Combined Group will maintain a disciplined capital allocation framework and will prioritize debt paydown with a commitment to preserving an investment grade rating. The Combined Group expects pro forma net debt to adjusted EBITDA to be approximately 3 times at the Effective Date, decreasing to approximately 2.5 times within 18 months post-Effective Date.

Irrevocable undertakings

- Ingridion has received irrevocable undertakings from each of the Tate & Lyle Directors that hold Tate & Lyle Shares or Tate & Lyle ADSs to vote (or, where applicable procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (and if Ingridion, with the consent of the Panel and subject to the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingridion), in respect of a total of 1,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs), representing approximately 0.3 per cent. of the existing issued ordinary share capital of Tate & Lyle as at the Latest Practicable Date.
- Ingridion has also received an irrevocable undertaking to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (and if Ingridion, with the consent of the Panel and subject to the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingridion) from Huber Equity Corporation (“**Huber**”) in respect of a total of 75,000,000 Tate & Lyle Shares representing, in aggregate, approximately 16.8 per cent. of Tate & Lyle’s existing issued ordinary share capital as at the Latest Practicable Date.
- Ingridion has therefore received irrevocable undertakings in respect of a total of 76,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs) representing, in aggregate, approximately 17.1 per cent. of Tate & Lyle’s existing ordinary share capital in issue as at the Latest Practicable Date.
- Further details of these irrevocable undertakings are set out in Appendix 3 to the full announcement.

Timetable and conditions

- It is intended that the Acquisition will be implemented by way of the Scheme (although Ingridion reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement). The terms of the Acquisition will be put to Tate & Lyle Shareholders at the Court Meeting and the General Meeting (which is expected to take place immediately following the Court Meeting). The Meetings are required to enable Tate & Lyle Shareholders to consider and, if thought fit, vote in favour of Resolutions to approve the Scheme and its implementation. In order to become Effective, the Scheme must be approved at the Court Meeting by a majority in number of Scheme Shareholders, present and voting (and entitled to vote), whether in person or by proxy, representing 75 per cent. or more in nominal value of the Scheme Shares held by those Scheme Shareholders. The Scheme also requires the passing of the Resolutions at the General Meeting. Following the Court Meeting and the General Meeting, the Scheme must also be sanctioned by the Court. The Scheme is expected to become Effective during the second half of 2027, subject to the satisfaction or (where applicable) waiver of the Conditions (in particular the Material Antitrust Conditions, as highlighted at paragraph 6).
- The entitlement of Tate & Lyle ADS Holders to the Cash Consideration and Permitted Dividends under the terms of the Acquisition in respect of the Tate & Lyle Shares underlying their Tate &

Lyle ADS will be determined in accordance with the terms of the Deposit Agreement. Further details are set out in paragraph 17 of this announcement.

- The Acquisition will be on the terms and subject to the Conditions set out in Appendix 1 to this announcement and to be set out in the Scheme Document. The Conditions include, amongst others:
 - the approval by a majority in number representing not less than 75 per cent. in value of the Scheme Shareholders who are on the register of members of Tate & Lyle (or the relevant class or classes thereof, if applicable) at the Scheme Voting Record Time, present and voting (and entitled to vote) at the Court Meeting;
 - the passing of all resolutions required to approve and implement the Scheme by the requisite majority or majorities of Tate & Lyle Shareholders at the General Meeting;
 - the satisfaction or waiver of the Material Antitrust Conditions further detailed in paragraph 6 of this announcement, to which the attention of shareholders is specifically drawn, and should be read carefully;
 - the sanction of the Scheme by the Court with or without modification (but subject to any such modification being acceptable to Ingredion and Tate & Lyle); and
 - following the sanction of the Scheme by the Court, the delivery of a copy of the Scheme Court Order to the Registrar of Companies for registration.
- Full details of the Acquisition will be provided in the Scheme Document. It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Meetings, together with the associated forms of proxy, will be posted to Tate & Lyle Shareholders as soon as practicable and, in any event, within 28 days of this announcement (or such later time as Tate & Lyle and Ingredion may agree, with the consent of the Panel). An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.
- Commenting on the Acquisition, David Hearn, Chairman of Tate & Lyle, said:

"Over the last few years, Tate & Lyle has been successfully repositioned as a leading global speciality food and beverage solutions business aligned to growing consumer demand for healthier, more nutritious and sustainable food and drink. I would like to recognise the exceptional contribution of the team at Tate & Lyle for their talent, insight and commitment which has been a key driver of this transformation and the business we have built. Looking forward, we believe the next chapter with Ingredion will create a business with even greater potential, greater scale, and increased investment in innovation in support of customers. The Board of Tate & Lyle believes Ingredion's offer represents an attractive opportunity for shareholders to crystallise value in cash, and that it will be an excellent steward of Tate & Lyle. The Board therefore unanimously recommends Ingredion's offer to Tate & Lyle shareholders."
- Commenting on the Acquisition, Jim Zallie, Chairman of the Board and Chief Executive Officer of Ingredion, said:

"Combining Ingredion and Tate & Lyle's complementary portfolios creates a global leader in ingredient solutions with the expertise and geographic reach to help shape the future of food. The combined business will be better positioned to serve customers' needs for the development of great-tasting, healthier and affordable food products that consumers demand. This compelling combination will create exciting new possibilities for employees and generate significant value for all stakeholders."

Further, if sufficient acceptances of such Offer are received and/or sufficient Tate & Lyle Shares are otherwise acquired, it is the intention of Ingredion to apply the provisions of the Companies Act 2006 to acquire compulsorily any outstanding Tate & Lyle Shares to which such offer relates.

Notice to US Tate & Lyle Shareholders and Tate & Lyle ADS Holders

Tate & Lyle Shareholders in the United States and Tate & Lyle ADS Holders should note that the Acquisition relates to the shares of a company incorporated in England and Wales listed on the Main Market of the London Stock Exchange and is proposed to be made by means of a scheme of arrangement provided for under, and governed by, the laws of England and Wales.

A transaction effected by means of a scheme of arrangement is not subject to the US tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Scheme will be subject to the disclosure and procedural requirements and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules. In addition, Tate & Lyle Shareholders in the United States and Tate & Lyle ADS Holders should be aware that this document has been prepared in accordance with UK format and style, which differs from US format and style.

If, in the future, Ingredion exercises the right to implement the Acquisition by way of an Offer (subject to the consent of the Panel and the terms of the Co-operation Agreement) and determines to extend the offer into the United States, such Offer will be made in compliance with all applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act. Such an Offer would be made in the United States by Ingredion and no one else.

In accordance with normal United Kingdom practice and consistent with Rule 14e-5 under the US Exchange Act, Ingredion, certain of its affiliated companies and the nominees or brokers (acting as agents) of Ingredion and/or such affiliated companies may from time to time make certain purchases of, or arrangements to purchase, Tate & Lyle Shares outside such Offer during the period in which such Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made they would be made outside the United States either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including, to the extent applicable, the US Exchange Act. Any information about such purchases would be disclosed as required in the United Kingdom, would be reported to a Regulatory Information Service and would be available on the London Stock Exchange website at www.londonstockexchange.com.

The financial information relating to Tate & Lyle included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States (“US GAAP”). US GAAP differs in certain respects from accounting standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

The receipt of consideration by a US Tate & Lyle Shareholder or a US Tate & Lyle ADS Holder for the transfer of its Tate & Lyle Shares or Tate & Lyle ADSs, as applicable, pursuant to the Acquisition may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as non-US and other, tax laws. Each Tate & Lyle Shareholder and Tate & Lyle ADS Holder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable US federal, state and local, as well as non-US and other, tax laws.

It may be difficult for US holders of Tate & Lyle Shares and Tate & Lyle ADS Holders to enforce their rights and any claim arising out of the US federal securities laws or to enforce against Tate & Lyle a judgment of a US court predicated upon the securities laws of the United Kingdom, since Tate & Lyle is incorporated in a non-US jurisdiction, and some of Tate & Lyle's officers and directors are residents of countries other than the United States. US holders of Tate & Lyle Shares and Tate & Lyle ADS Holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgement.

Neither the United States Securities and Exchange Commission (the "SEC") nor any securities supervisory authority of any state or other jurisdiction in the United States has approved or disapproved the Scheme or reviewed it for its fairness, nor have the contents of this announcement been reviewed for accuracy, completeness or fairness by the SEC or any securities supervisory authority in the United States. Any representation to the contrary is a criminal offence in the United States.

RECOMMENDED CASH ACQUISITION

of

TATE & LYLE PLC ("TATE & LYLE")

by

INGREDION INCORPORATED ("INGREDION")

to be effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006

1. INTRODUCTION

The boards of Ingredion and Tate & Lyle are pleased to announce that they have reached agreement on the terms and conditions of a recommended cash offer by Ingredion for the entire issued and to be issued ordinary share capital of Tate & Lyle (the "**Acquisition**"). The Acquisition is to be effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006.

2. THE ACQUISITION

Under the terms of the Acquisition, Tate & Lyle Shareholders will be entitled to receive in aggregate:

- **595 pence in cash** per Tate & Lyle Share (the "**Cash Consideration**"); plus
- a final dividend in relation to the financial year ended 31 March 2026 of no greater than 13.2 pence per ordinary Tate & Lyle Share (the "**2026 Final Dividend**"); plus
- an interim dividend in relation to the six-month period ended 30 September 2026 of no greater than 6.8 pence per ordinary Tate & Lyle Share (the "**2027 Interim Dividend**") and together with the 2026 Final Dividend, the "**Permitted Dividends**").

The Cash Consideration values the entire issued and to be issued share capital of Tate & Lyle at approximately £2.7 billion (\$3.6 billion) on a fully diluted basis, with an implied enterprise value of £3.7 billion (\$5.0 billion), and represents a premium of approximately:

- 58.7 per cent. to the closing share price of Tate & Lyle Shares on 13 May 2026 (being the last Business Day prior to the start of the Offer Period) (the "**Undisturbed Date**");
- 65.2 per cent. to the volume-weighted average price of Tate & Lyle Shares for the three months ended on the Undisturbed Date; and

- 61.6 per cent. to the volume-weighted average price of Tate & Lyle Shares for the six months ended on the Undisturbed Date.

The total value of the Cash Consideration and Permitted Dividends of up to 615 pence per Tate & Lyle Share represents a headline offer premium of approximately:

- 64.0 per cent. to the closing share price of Tate & Lyle Shares on the Undisturbed Date;
- 70.8 per cent. to the volume-weighted average price of Tate & Lyle Shares in the three months ended on the Undisturbed Date; and
- 67.0 per cent. to the volume-weighted average price of Tate & Lyle Shares in the six months ended on the Undisturbed Date.

The Cash Consideration and Permitted Dividends (assuming the Permitted Dividends are declared and paid in full) together value the entire issued and to be issued share capital of Tate & Lyle at approximately £2.8 billion on a fully diluted basis with an implied enterprise value of £3.8 billion.

The Permitted Dividends will be paid (subject to the approval of the Tate & Lyle Directors and, in the case of the 2026 Final Dividend, the requisite approval of Tate & Lyle Shareholders) in line with Tate & Lyle's ordinary course 2026 and 2027 financial year dividend calendars, in each case without any reduction in the Cash Consideration payable under the Acquisition. If, on or after the date of this announcement and before the Effective Date, any dividend and/or other distribution and/or other return of capital (other than the Permitted Dividends) is declared, made or paid or becomes payable in respect of Tate & Lyle Shares, Ingredient reserves the right to reduce the Cash Consideration by an amount up to the amount of such dividend and/or distribution and/or return of capital, in which case any reference in this announcement to the Cash Consideration will be deemed to be a reference to the Cash Consideration as so reduced. Any exercise by Ingredient of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.

The Tate & Lyle Directors unanimously intend to recommend the Acquisition.

Irrevocable undertakings to vote in favour of the Scheme (and if Ingredient, subject to the consent of the Panel and terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingredient) have been received in respect of an aggregate of 76,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs), representing approximately 17.1 per cent. of the existing issued ordinary share capital of Tate & Lyle as at 5 June 2026 (being the last Business Day prior to the date of this announcement) ("**Latest Practicable Date**").

Intended implementation

It is intended that the Acquisition will be implemented by way of a Scheme (although Ingredient reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement). The Conditions to the Acquisition (including the Material Antitrust Conditions highlighted at paragraph 6) are set out in full in Appendix 1 to this announcement.

The Tate & Lyle Shares will be acquired pursuant to the Acquisition fully paid and free from all liens, charges, equities, encumbrances, rights of pre-emption and any other interest of any nature whatsoever and together with all rights attaching thereto, including without limitation voting rights and the rights to receive and retain in full all dividends and distributions (if any) announced, declared, made or paid with a record date on or after the Scheme Record Time (other than the Permitted Dividends).

3. RECOMMENDATION OF THE TATE & LYLE DIRECTORS

The Tate & Lyle Directors, who have been so advised by Goldman Sachs and Greenhill as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Tate & Lyle Directors, Goldman Sachs and Greenhill have taken into account the commercial assessments of the Tate & Lyle Directors. Goldman Sachs and Greenhill are providing independent financial advice to the Tate & Lyle Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Tate & Lyle Directors intend to recommend unanimously that Tate & Lyle Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (and if Ingredion, with the consent of the Panel and subject to the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingredion) as the Tate & Lyle Directors who hold Tate & Lyle Shares or Tate & Lyle ADSs have irrevocably undertaken to do in respect of their own beneficial holdings (and the beneficial holdings of their close relatives and related trusts), being, in aggregate, 1,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs), representing approximately 0.3 per cent. of the existing issued ordinary share capital of Tate & Lyle, as at the Latest Practicable Date.

4. BACKGROUND TO AND REASONS FOR THE RECOMMENDATION OF TATE & LYLE DIRECTORS

Tate & Lyle today and its strategic transformation

Tate & Lyle is a speciality food and beverage solutions business. Powered by over 165-years of science and ingredient innovation, Tate & Lyle partners with customers to meet growing consumer demand for healthier, more nutritious and sustainable food and drink. Through its leading expertise in sweetening, mouthfeel and fortification, Tate & Lyle develops ingredients and solutions which reduce sugar, calories and fat, and add fibre and protein to food and drink, across categories including beverage, dairy, bakery and snacks, and soups, sauces, and dressings. Tate & Lyle's purpose is Transforming Lives through the Science of Food. By living its purpose, and through its broad product portfolio, solutions expertise and deep understanding of the global food and beverage market; Tate & Lyle helps to address key societal challenges such as obesity, diabetes, nutritional deficiency and the impact of climate change.

In recent years, Tate & Lyle has successfully completed a major strategic and structural transformation. Through two transactions completed in April 2022 and June 2024, Tate & Lyle sold its Primary Products ("Primient") commodity business in the Americas to KPS Capital Partners, LLP. Tate & Lyle then acquired CP Kelco, a leading global provider of pectin and speciality gums in November 2024 to create a leader across its sweetening, mouthfeel and fortification platforms with a unique product portfolio and enhanced formulation capabilities significantly increasing Tate & Lyle's ability to be a solutions partner of choice for its customers. Together, the Primient disposal followed by the CP Kelco acquisition, transformed Tate & Lyle into a growth-focused leading and differentiated

speciality food and beverage solutions business, directly aligned with attractive structural and growing consumer trends for healthier, more nutritious and sustainable food and drink. Following this strategic transformation, Tate & Lyle now has around 5,000 employees working in 75 locations in 37 countries, serving customers in more than 120 countries.

In July 2025, having successfully completed its strategic transformation, Tate & Lyle presented an updated medium-term strategic roadmap, aiming to accelerate growth through the powerful combination of its enlarged portfolio, and deliver attractive returns to shareholders. Tate & Lyle outlined a medium-term financial algorithm, targeting 4-6 per cent. organic revenue growth, Adjusted EBITDA growth ahead of Revenue, and Adjusted EPS growth ahead of Adjusted EBITDA, while maintaining free cash flow conversion greater than 75 per cent., and maintaining a strong balance sheet, targeting net debt to EBITDA of 1.0x to 2.5x.

Outlook for Tate & Lyle

Despite the strong, fundamental long-term growth drivers for the ingredients sector, over the last year the operating environment for ingredients companies and their customers has deteriorated, with consumer sentiment weakening across all major regions. Amid slowing near-term growth, Tate & Lyle and several listed Ingredients and CPG companies across the food and beverage sector have lowered guidance and expectations for near-term future performance.

In October 2025, Tate & Lyle outlined the impact of this slowing demand in the North American and European markets on Tate & Lyle Group revenue and earnings growth. At the end of a financial year which featured a number of challenges including softer market demand than anticipated, an increasingly complex geopolitical landscape and the integration of two large global businesses, Tate & Lyle delivered 3 per cent. revenue decline and 3 per cent. pro forma Adjusted EBITDA decline for the year ended 31 March 2026, in line with expectations (as outlined in October 2025). During its 2026 financial year, Tate & Lyle delivered over \$50 million of productivity savings and increased the target for its 5-year productivity programme by a further \$50 million to deliver \$200 million of savings by the end of the 2028 financial year. The Tate & Lyle Group also met its CP Kelco combination \$50 million annualised run-rate synergy target a year ahead of plan as it completed the integration of the CP Kelco business and began to illustrate the power of the combination by driving increased levels of customer traction and an enlarged new business pipeline.

Given the continued challenging economic backdrop and muted market demand, the near-term priorities for Tate & Lyle are to drive volume-led growth and strengthen financial performance through four priority actions focused on: (i) targeted investments to accelerate customer wins; (ii) delivering the full benefits of the CP Kelco combination; (iii) accelerating productivity across the enlarged Tate & Lyle Group; and (iv) continued balance sheet focus aligned with clear capital allocation priorities.

As announced in the Tate & Lyle FY26 Financial Results, Tate & Lyle expects to deliver for the year ending 31 March 2027 (on a constant currency basis), modest revenue growth underpinned by volume growth, weighted to the second half, and broadly flat EBITDA before the c.\$20 million impact of the rescheduling of the consolidation of bio-gums capacity. Tate & Lyle's outlook assumes a limited impact from the conflict in the Middle East, and it is taking actions to mitigate cost inflation through a range of initiatives including procurement activities, operational discipline and pricing action.

The Tate & Lyle Board remains fully confident in the ongoing execution of its strategic plan and that its successful delivery through volume-led growth and strengthened financial

performance will create value for the Tate & Lyle Shareholders over time. However, the financial performance in the 2026 financial year was disappointing and, while actions are being taken with urgency to return the business to top-line growth, the continuation of the current challenging market environment creates risks and uncertainties in the timing of delivery of Tate & Lyle's financial algorithm.

Proposal from Ingredion and considerations in respect of the Acquisition

The Tate & Lyle Board was not seeking and did not solicit an offer for Tate & Lyle, though it regularly considers all options for driving and improving shareholder value. The initial unsolicited proposal received from Ingredion at 530 pence per Tate & Lyle Share (at a consideration comprising 80 per cent. cash and 20 per cent. shares of Ingredion) was not at a level which the Tate & Lyle Board felt reflected an appropriate valuation of Tate & Lyle and its future prospects. Following four further proposals from Ingredion, the Board negotiated a proposal which delivers total value of up to 615 pence per Tate & Lyle Share in cash to Tate & Lyle Shareholders comprising cash consideration of 595 pence per Tate & Lyle Share, a final dividend for the financial year to 31 March 2026 of up to 13.2 pence per Tate & Lyle Share and an interim dividend for the six months to 30 September 2026 of up to 6.8 pence per Tate & Lyle Share. The Tate & Lyle Directors felt that this proposal from Ingredion required more detailed consideration.

In considering the financial terms of the Acquisition and determining whether they reflect an appropriate valuation of Tate & Lyle and its future prospects, the Tate & Lyle Board took into account several factors including that:

- the Acquisition reflects the strength of Tate & Lyle's business and its future prospects, and provides an opportunity for Tate & Lyle Shareholders to crystallise, in cash, the value of their investments at a fair and reasonable value;
- the total value of up to 615 pence per Tate & Lyle Share represents an attractive premium of:
 - 64.0 per cent. to the Closing Price of Tate & Lyle Shares on the Undisturbed Date;
 - 70.8 per cent. to the volume-weighted average price of Tate & Lyle Shares in the three months ended on the Undisturbed Date; and
 - 67.0 per cent. to the volume-weighted average price of Tate & Lyle Shares in the six months ended on the Undisturbed Date;
- the Cash Consideration and Permitted Dividends (assuming the Permitted Dividends are declared and paid in full) implies an enterprise value of approximately 9.1 times Tate & Lyle's Adjusted EBITDA for the 12 months ended 31 March 2026;
- the certainty of the Acquisition should be weighed against the inherent uncertainty of the delivery of future value that exists in the business, particularly in the near-term, given the current uncertainty in the global macroeconomic environment, suppressed consumer sentiment and the markets in which Tate & Lyle operates; and
- the Acquisition is expected to deliver more risk-adjusted near-term value to Tate & Lyle Shareholders than other strategic options considered by the Tate & Lyle Board.

Accordingly, while the Tate & Lyle Board remains confident in its ability to deliver attractive value for the Tate & Lyle Shareholders over the medium to long term, the Tate & Lyle Directors believe that the financial terms of the Acquisition represent an attractive

opportunity for Tate & Lyle Shareholders to realise a certain cash value for their investment on completion of the Acquisition relative to the risks inherent in the execution of Tate & Lyle's strategy.

The Tate & Lyle Board has also carefully considered the execution certainty associated with the Acquisition. The commitments provided by Ingredion to satisfy the regulatory Conditions, including the undertaking to take all necessary steps to satisfy the regulatory Conditions as soon as reasonably practicable and in sufficient time to enable completion to occur at least three months prior to the Long Stop Date, subject only to the Regulatory Undertaking Carve-out, were important considerations in the Tate & Lyle Board's assessment of the Acquisition and its decision to recommend the Acquisition to the Tate & Lyle Shareholders.

In considering the Acquisition, the Tate & Lyle Board has taken into account Ingredion's stated intentions for the business and all its stakeholders, including its employees, customers, and broader network of stakeholders.

Following careful consideration of the financial terms of the Acquisition and the commitments made by Ingredion to manage transaction execution risks, the combination of value and certainty that the terms of the Acquisition provide to Tate & Lyle Shareholders, and the above factors, the Tate & Lyle Directors intend to unanimously recommend that Tate & Lyle Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting, as the Tate & Lyle Directors who hold Tate & Lyle Shares or Tate & Lyle ADSs (and those of their spouse, minor children and/or related trusts (if applicable)), amounting in aggregate to 1,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs) representing approximately 0.3 per cent. of the issued share capital of Tate & Lyle as at the Latest Practicable Date.

5. **BACKGROUND TO AND REASONS FOR THE ACQUISITION**

Ingredion believes that the Acquisition of Tate & Lyle represents a compelling opportunity to accelerate its customer solutions-led growth strategy to create a scaled specialty ingredients platform.

The combination would bring together complementary portfolios, technical expertise and geographic networks. Together, Ingredion and Tate & Lyle would be better placed to help customers address growing consumer demand for food and beverage products that are affordable, nutritious and high-quality. The combination also brings together a broader portfolio of specialty non-food ingredients for customers in the paper making, pharmaceutical, personal, and home care segments.

The Acquisition offers strategic, operational and financial benefits, that include:

- **Bolstering Ingredion's portfolio and creating significant strategic growth opportunities**
 - Broadens Ingredion's specialty ingredients platform across texturants, sugar reduction, and fortification.
 - Adds complementary capabilities for multi-ingredient systems and recipe development.
 - Expands Ingredion's ability to address customer needs across a wider range of end use categories and applications.

- **Creating a complementary and differentiated portfolio for texture and sugar reduction**
 - Combines Ingredion's texture and sugar reduction capabilities with Tate & Lyle's expertise in mouthfeel, sweetening, and fortification.
 - Positions the Combined Group to better help customers address growing consumer demand for food and beverage products that are safe, high quality, affordable, great tasting, and healthier.
- **Diversifying Ingredion's global platform with critical scale in North America, Europe and Emerging Markets**
 - Brings together complementary geographic supply networks across the Americas, Europe, the Middle East and Africa, and Asia Pacific.
 - Delivers faster, more reliable and cost-effective ingredients and solutions for customers and consumers worldwide.
 - Enhances local market insights to better anticipate regional customer needs and consumer preferences.
- **Delivering solutions for diverse consumer needs across the value chain**
 - Combines applications expertise, customer-led formulation capabilities and expanded customer centric data insights to deliver more integrated, higher-value ingredient solutions at an affordable price for end consumers.
 - Enables closer partnership with customers – from concept development through to commercialization – by building cost-effective bespoke ingredient solutions to meet customer needs, and by deepening Ingredion's innovation and formulation capabilities while accelerating and optimizing speed-to-market.
- **Enhancing IP and technological capabilities to drive innovation**
 - Unifies two respected brand names with more than a century of history, each known for innovation, quality, service, and trust in the ingredients space.
 - Combines complementary IP, technology, talent and applications capabilities to support faster innovation and next-generation ingredient systems development.
 - Enhances the ability to develop systems-based solutions across mouthfeel, sweetening, and fortification, including solutions that support healthier product offerings.
- **Delivering significant financial benefits and value creation under a prudent financial structure**
 - The Combined Group would represent approximately \$9.9 billion of revenue, adjusted EBITDA of \$1.8 billion, and have significantly improved free cash flow conversion.
 - The Cash Consideration implies a pre-synergy total enterprise value to adjusted EBITDA (pre-share-based payments) multiple of approximately 8.8 times, with significant benefits expected in the form of cost synergies.

- The integration is expected to deliver significant run-rate net cost synergies of approximately \$130 million, which are expected to be fully realized by the end of 2030. The one-off costs to achieve these annual cost savings are expected to amount to approximately \$175 million in aggregate by the end of 2030.
- The potential sources of cost synergies are expected to be derived from selling, general and administrative expenses (approximately 60 per cent) as well as cost of goods sold (approximately 40 per cent) and will be achieved from Ingredion and Tate & Lyle's combined businesses through a combination of:
 - procurement savings;
 - network flow optimizations;
 - logistics & warehousing;
 - operating & IT expenses; and
 - management & public company cost savings.
- The Acquisition is expected to be accretive to adjusted EPS by more than 15 per cent. in the first full fiscal year following the Effective Date.
- The Combined Group will maintain a disciplined capital allocation framework and will prioritize debt paydown with a commitment to preserving an investment grade rating. The Combined Group expects pro forma net debt to adjusted EBITDA to be approximately 3 times at the Effective Date, decreasing to approximately 2.5 times within 18 months post-Effective Date.

6. CONDITIONS TO THE ACQUISITION

The Acquisition will be on the terms and subject to the Conditions set out in Appendix 1 to this announcement and to the full terms and conditions to be set out in the Scheme Document. The Conditions include, amongst others:

- (a) the approval by a majority in number representing not less than 75 per cent. in value of the Scheme Shareholders who are on the register of members of Tate & Lyle (or the relevant class or classes thereof, if applicable) at the Scheme Voting Record Time, present and voting (and entitled to vote) at the Court Meeting;
- (b) the passing of all resolutions required to approve and implement the Scheme by the requisite majority or majorities of Tate & Lyle Shareholders at the General Meeting;
- (c) the satisfaction or waiver of the Material Antitrust Conditions (as detailed further below);
- (d) the sanction of the Scheme by the Court with or without modification (but subject to any such modification being acceptable to Ingredion and Tate & Lyle); and
- (e) following the sanction of the Scheme by the Court, the delivery of a copy of the Scheme Court Order to the Registrar of Companies for registration.

Material Antitrust Conditions

The Acquisition is conditional on the Conditions set out in paragraphs 3(a) to 3(l) (inclusive) of Part A of Appendix 1 (the "**Material Antitrust Conditions**"), which are of material

significance to Ingredion in the context of the Acquisition and specifically drawn to the attention of Tate & Lyle Shareholders and Ingredion Shareholders.

The Material Antitrust Conditions have been included following specific negotiation between Tate & Lyle and Ingredion, and to take account of the particular circumstances of Tate & Lyle and the Acquisition.

While Tate & Lyle and Ingredion are confident in the approach to secure approval of the Acquisition by the relevant Regulatory Authorities in connection with the Material Antitrust Conditions without undertaking any remedies that are adverse to a material extent to the Ingredion Group taken as a whole, Ingredion Shareholders and Tate & Lyle Shareholders should note that, if a Material Antitrust Condition is not satisfied, including if a relevant Regulatory Authority requires remedies that are adverse to a material extent to the Ingredion Group taken as a whole, Ingredion intends to seek the Panel's consent to invoke the relevant Material Antitrust Condition in accordance with Rule 13.5(a) of the Takeover Code to lapse the Acquisition.

Shareholders should note that Ingredion intends to seek the Panel's consent to invoke a Material Antitrust Condition, if it would only be satisfied by the parties undertaking remedies in the form of disposals which are adverse to a material extent to the Ingredion Group taken as a whole, as the integrity of the Combined Group's portfolio is an essential part of the strategic and economic rationale for the Acquisition.

A decision by the Panel on whether to permit Ingredion to invoke a Condition under Rule 13.5(a) would be judged by the Panel by reference to the facts at the time that the relevant circumstances arise, including the views of the Tate & Lyle Board at that time.

9. **TATE & LYLE GROUP FY26 FINANCIAL RESULTS**

On 21 May 2026, Tate & Lyle announced its financial results for the 12 months ended 31 March 2026 (the “**Tate & Lyle FY26 Financial Results**”). As part of that announcement, the following statement (the “**Tate & Lyle Statement**”) regarding the outlook for the full financial year to 31 March 2027 was included:

“For the year ending 31 March 2027 on a constant currency basis we currently expect to deliver:

- *Modest revenue growth, underpinned by volume growth, weighted to the second half*
- *Broadly flat EBITDA before the c.US\$20 million impact of the rescheduling of the consolidation of bio-gums capacity.*

Our outlook currently assumes a limited impact from the conflict in the Middle East, and we are taking actions to mitigate cost inflation through a range of initiatives including procurement activities, operational discipline and pricing action.”

The Panel has confirmed that the Tate & Lyle Statement constitutes an ordinary course profit forecast for the purposes of Rule 28.1 of the Takeover Code, to which the requirements of Rule 28.1(c)(i) of the Takeover Code apply.

Since the Tate & Lyle Statement, Tate & Lyle’s financial performance has been in line with expectations.

In relation to the Tate & Lyle Statement, Appendix 4 sets out the assumptions and basis of preparation on which the Tate & Lyle Statement is based and certain confirmations from the Tate & Lyle Directors for the purposes of Rule 28.1(c) of the Takeover Code.

10. **IRREVOCABLE UNDERTAKINGS**

In total, Ingredion has procured irrevocable undertakings to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (and if Ingredion, with the consent of the Panel and subject to the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingredion) in respect of, in aggregate, 76,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs), representing approximately 17.1 per cent. of the existing issued ordinary share capital of Tate & Lyle as at the Latest Practicable Date.

Director Shareholders

Ingredion has received irrevocable undertakings from each of the Tate & Lyle Directors that hold Tate & Lyle Shares or Tate & Lyle ADSs to vote (or, where applicable procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (and if Ingredion, with the consent of the Panel and subject to the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer by Ingredion), in respect of a total of 1,186,458 Tate & Lyle Shares (including Tate & Lyle Shares held through Tate & Lyle ADSs), representing approximately 0.3 per cent. of the existing issued ordinary share capital of Tate & Lyle as at the Latest Practicable Date.

The director shareholder irrevocable undertakings will cease to be binding only if:

- (a) Ingredion announces, with the consent of the Panel, and before the Scheme Document is published, that it does not intend to proceed with the Acquisition and no new, revised or replacement Scheme is announced by Ingredion in accordance with Rule 2.7 of the Takeover Code;
- (b) the Scheme Document (or offer document, as applicable) is not published within 28 days of the date of issue of the Rule 2.7 Announcement (or such later date as the Panel may agree);
- (c) the Scheme or Offer (as the case may be) has lapsed or been withdrawn (this shall not apply where the Scheme lapses or is withdrawn solely as a result of Ingredion exercising its right to implement the Acquisition by way of an Offer rather than a Scheme) and no new, revised or replacement Scheme or Offer has been announced by Ingredion or its affiliates in accordance with Rule 2.7 of the Takeover Code at the same time; or
- (d) any competing offer for the issued and to be issued ordinary share capital of Tate & Lyle is made which becomes or is declared unconditional (if implemented by way of an Offer) or otherwise becomes effective (if implemented by way of a Scheme).

Huber

Ingredion has also received an irrevocable undertaking to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (and if Ingredion, with the consent of the Panel and subject to the terms of the Co-operation Agreement, subsequently structures the Acquisition as an Offer, to accept any Offer (provided it is on terms no less favourable to Tate & Lyle Shareholders than as set out in this announcement) by Ingredion) from Huber Equity Corporation ("**Huber**") in respect of a total of 75,000,000 Tate & Lyle Shares (the "**Huber Shares**") representing, in aggregate, approximately 16.8 per cent. of Tate & Lyle's existing issued ordinary share capital as at the Latest Practicable Date.

Notwithstanding its obligations under the irrevocable undertaking, following the earlier of: (i) the date that the 2027 Interim Dividend is received by Huber; and (ii) 1 February 2027, Huber shall have the right (but not the obligation) to sell or otherwise transfer up to 100 per cent. of the Huber Shares (in one or a series of trades), provided that: (i) the Court Meeting and the General Meeting have each concluded; and (ii) Huber shall not sell or dispose of Huber Shares comprising more than 2 per cent. in aggregate of the Tate & Lyle Shares to any person(s) (or any person acting in concert with such person(s)) without the consent of J.P. Morgan, who may withhold such consent if, in its opinion, the proposed transfer is to an actual or potential competing bidder for Tate & Lyle.

All of Huber's obligations in respect of the irrevocable undertakings given to Ingredion shall terminate and be of no further effect if (amongst other circumstances) a competing firm offer under Rule 2.7 of the Takeover Code is announced in respect of the Tate & Lyle Shares which exceeds the aggregate value per Tate & Lyle Share of the Cash Consideration plus the Permitted Dividends by 10 per cent. or more.

Further details of all irrevocable undertakings (including the circumstances in which they cease to be binding) are set out in Appendix 3 to this announcement.

11. **FINANCING OF THE ACQUISITION**

In order to enable J.P. Morgan to give the confirmation referred to in Rule 2.7(d) of the Takeover Code, the Bridge Facility has been entered into, pursuant to which a \$4,225,000,000 bridge facility is available to Ingredion which may be drawn on to finance the cash consideration payable pursuant to the Acquisition and to pay fees, costs and expenses in connection with the Bridge Facility, the Acquisition and related transactions and, to the extent not first used for those purposes, to refinance certain existing indebtedness of Tate & Lyle. Ingredion has also entered into an FX option to hedge the amount payable pursuant to the Acquisition on the Effective Date.

It is eventually intended that the cash consideration to be payable by Ingredion to Scheme Shareholders under the terms of the Acquisition will be funded through existing cash resources, potential new debt financing and, to the extent required, a drawdown on the Bridge Facility.

J.P. Morgan, in its capacity as sole financial adviser to Ingredion, is satisfied that sufficient resources are available to Ingredion to satisfy in full the Cash Consideration payable to Scheme Shareholders pursuant to the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

12. **DIRECTORS, EMPLOYEES, MANAGEMENT, PENSIONS, RESEARCH AND DEVELOPMENT AND LOCATIONS**

Strategic plans and intentions with regards to Tate & Lyle and the Combined Group

As set out in paragraph 5, Ingredion believes that the Acquisition represents an opportunity to accelerate its solutions-led growth strategy and create a more global, scaled specialty ingredients business. The combination brings together two complementary businesses with a shared heritage of innovation, technical excellence, product quality, and customer service.

Together, Ingredion and Tate & Lyle will be better placed to help customers address growing consumer demand for food and beverage products that are safe, high quality, affordable, great tasting, and healthier. The combination also brings together a broader portfolio of specialty non-food ingredients for customers in the paper making, pharmaceutical, personal, and home care segments.

The Acquisition will broaden the Combined Group's specialty ingredients platform across texturants, sugar reduction systems, and fiber fortification. It will add complementary capabilities for recipe formulation by leveraging Ingredion's texture and sugar reduction capabilities and Tate & Lyle's expertise in mouthfeel, sweetening, and fiber fortification.

It also brings together complementary geographic supply networks across the Americas, Europe, the Middle East and Africa, and Asia Pacific, to deliver faster, more reliable and cost-effective ingredients and solutions for customers and consumers worldwide.

Prior to this Announcement, and consistent with market practice, Ingredion was granted limited access to Tate & Lyle's senior management for the purposes of undertaking confirmatory due diligence into Tate & Lyle's business and operations as well as to support its assessment of potential synergies and integration. This has enabled Ingredion to develop a preliminary strategy for the Combined Group as well as a preliminary assessment of potential synergy and cost saving opportunities for the Acquisition based on such information (as well as on its own outside-in perspectives). However, Ingredion has not yet had access to sufficiently detailed information to formulate detailed plans or intentions regarding the impact of the Acquisition on the Tate & Lyle Group and this review will remain ongoing in the period to Completion.

Following the Effective Date, Ingredion intends to undertake a detailed review of Tate & Lyle's business, operations, workforce, footprint and systems to inform a comprehensive integration plan. Ingredion expects this review to be completed within 12 months following the Effective Date, with implementation taking up to 24 months following the conclusion of the detailed review.

Employees and management

Ingredion highly values the skills, experience and expertise of the existing management team and employees of Tate & Lyle. Ingredion also acknowledges and respects the important role that Tate & Lyle's recognized trade unions and other employee representative bodies play in the success of the Tate & Lyle business. Ingredion considers Tate & Lyle's employees to be critical assets and intends to engage constructively with Tate & Lyle's management and employees following the Effective Date to ensure an effective integration and drive growth.

Ingredion believes that Tate & Lyle employees will benefit from increased opportunities for professional development within a broader global organization, including exposure to a wider range of business segments, customers, and technologies.

Following completion of the Acquisition, Ingredion confirms that the existing contractual and statutory rights of Tate & Lyle's employees will be fully safeguarded and observed in accordance with applicable law, including in respect of terms and conditions of employment and pension arrangements.

Other than as set out in paragraph 16, Ingredion has not entered into, nor held discussions regarding, any incentive arrangements with employees or management of Tate & Lyle before this Announcement. Ingredion intends to consider other appropriate incentive arrangements after the Effective Date for certain members of Tate & Lyle's management and key employees, taking into account the needs of the integrated business and prevailing market practice.

Following the Effective Date, Ingredion's intention is that Jim Zallie will continue as Chairman and Chief Executive Officer of the Combined Group. Non-executive directors who step down from the Tate & Lyle board as of the Effective Date will be paid cash in lieu of any contractual notice periods they do not serve.

Ingredion does not intend to make any changes to Tate & Lyle's overall workforce, other than in certain corporate, manufacturing and support functions where there is overlap with existing roles and operations within the Ingredion Group. Whilst no decision has been

taken, Ingredion anticipates that following the conclusion of the post Effective Date review, there could be a material reduction in Tate & Lyle's workforce, representing approximately 3 per cent. of the Combined Group's workforce. Any such workforce reduction would be implemented with the aim of combining the strengths and capabilities of both businesses and would be determined as part of the post Effective Date review. The Ingredion Group will comply with applicable law in connection with any workforce reductions. The finalization and implementation of any such selective workforce reductions will be subject to comprehensive planning and appropriate engagement and communication with employees and other stakeholders, including any required information and consultation processes with any affected employees and/or applicable representative bodies. Any individuals impacted will be treated in a manner consistent with applicable law and the high standards, culture and practices of both Ingredion and Tate & Lyle.

Save as described above, Ingredion does not intend for there to be any material changes to the conditions of employment or the balance of skills and functions of employees and management of Tate & Lyle.

Research and development and fixed assets

Ingredion intends to maintain a strong focus on innovation and R&D across the Combined Group. Ingredion currently expects to leverage Tate & Lyle's innovation capabilities and approximately 1,000 patents, alongside Ingredion's innovation infrastructure and intellectual property to support accelerated product development, and customer collaboration and support.

Following completion of the Acquisition, Ingredion intends to leverage Tate & Lyle's extensive manufacturing and technical capabilities to accelerate the growth agenda of the Combined Group. Tate & Lyle's global supply network and specialty manufacturing capabilities will provide the Combined Group with a more robust, complementary platform from which to serve global and local customers most reliably with high-quality, customized ingredients and solutions that are essential to customers' and consumers' needs.

Headquarters, functions and locations of business

Following the Effective Date, Ingredion intends that the headquarters of the Combined Group will remain at Ingredion's existing headquarters in Westchester, Illinois, USA. Ingredion intends to leverage Tate & Lyle's longstanding reputation, presence and relationships in the UK and beyond. Ingredion recognizes the strength and heritage of Tate & Lyle's brand and product brands with its customers and stakeholders, and intends to leverage these in a manner that maximally preserves tangible and intangible value for the Combined Group.

Tate & Lyle's facilities represent key innovation and manufacturing hubs that Ingredion plans to integrate into its global network. As part of the post Effective Date review of Tate & Lyle's business, the manufacturing footprint of the Combined Group will be assessed holistically. Ingredion intends to utilize the unique strengths and attributes of each element of the combined network to serve global and local customers more effectively and efficiently.

Pension arrangements

Ingredion intends that, following the Effective Date, there will be no material changes to accrued benefits or to employer contribution arrangements in respect of relevant Tate & Lyle defined benefit and defined contribution pension schemes, and Ingredion intends to engage constructively with the relevant scheme trustee(s) and other stakeholders in

ordinary course. Ingredion intends that accrued pension rights will continue to be safeguarded in accordance with applicable law and scheme documentation.

Trading facilities

The Tate & Lyle Shares are currently admitted to the Official List and admitted to trading on the Main Market of the London Stock Exchange. It is intended that requests will be made to the FCA to cancel admission of the Tate & Lyle Shares to the Official List and to the London Stock Exchange to cancel admission to trading in Tate & Lyle Shares on the Main Market, in each case conditional on the Acquisition becoming Effective.

Tate & Lyle has a sponsored ADS Programme for which Citi acts as the Tate & Lyle Depositary. The Tate & Lyle ADSs are evidenced by the Tate & Lyle ADRs, which trade on the OTCQX platform. It is intended that, conditional on the Acquisition becoming Effective, the Tate & Lyle ADS Programme and the listing of the Tate & Lyle ADRs on the OTCQX will be terminated.

Following the Acquisition, Ingredion intends to re-register Tate & Lyle as a private company.

13. OFFER-RELATED ARRANGEMENTS

13.1 Confidentiality Agreement

Ingredion and Tate & Lyle have entered into a confidentiality agreement dated 14 May 2026 (the "**Confidentiality Agreement**"), pursuant to which each party has undertaken, amongst other things, to: (i) keep confidential certain information relating to the Acquisition and not to disclose it to third parties (other than certain permitted parties) unless required, amongst other things, by law or regulation; and (ii) use the confidential information only for certain permitted purposes, including the evaluation, negotiation, implementation of the Acquisition. These confidentiality obligations will remain in force until completion of the Acquisition or, if discussions or negotiations relating to the Acquisition terminate prior to completion of the Acquisition, 24 months from the date of the Confidentiality Agreement.

13.2 Co-operation Agreement

Ingredion and Tate & Lyle have entered into a co-operation agreement dated 8 June 2026 (the "**Co-operation Agreement**"), pursuant to which Ingredion has agreed to co-operate with Tate & Lyle to take steps to satisfy the Conditions and to implement the Acquisition.

Ingredion has agreed to take all necessary steps to satisfy the regulatory Conditions as soon as reasonably practicable and in sufficient time to enable completion to occur at least three months prior to the Long Stop Date, subject to the Regulatory Undertaking Carve-out. Tate & Lyle has agreed to provide, on a reasonably requested basis and as soon as practicable, such information, documents, assistance and access as may be required for the purposes of filings, submissions and engagement with regulatory authorities, subject to customary limitations including in respect of sensitive information. Ingredion and Tate & Lyle have agreed to cooperate closely in respect of regulatory matters, including sharing draft filings and communications, considering each other's comments, attending regulatory meetings where permitted and keeping each other informed of material developments.

The Co-operation Agreement records Ingredion's and Tate & Lyle's intention to implement the Acquisition by way of the Scheme, subject to the ability of Ingredion to proceed by way of an Offer in certain circumstances as detailed in the Co-operation Agreement.

The Co-operation Agreement also contains provisions dealing with certain ancillary matters, including: (i) the ability of Tate & Lyle to declare and pay the Permitted Dividends without any reduction to the Cash Consideration (with Ingredion permitted to reduce the Cash Consideration in respect of any distributions other than the Permitted Dividends); (ii) arrangements relating to Tate & Lyle Share Plans and employee matters, including maintenance of employee compensation opportunities and benefits for a period following the Effective Date and the grant of replacement awards for certain awards under the Tate & Lyle Share Plans that lapse due to time pro-rating in connection with the Acquisition; and (iii) undertakings by Ingredion in respect of the maintenance of directors' and officers' indemnities and insurance (including run-off cover) for a period following completion of the Acquisition.

The Co-operation Agreement may be terminated in certain customary circumstances, including: (i) by mutual consent, (ii) following a failure of the Scheme through a refusal by the Court to sanction it, (iii) upon invocation of a Condition (with Panel consent), (iv) if a competing proposal completes or becomes effective, (v) if the Acquisition lapses or is withdrawn, or (vi) if the Effective Date has not occurred by the Long Stop Date. Ingredion also has the right to terminate the Co-operation Agreement in the event that the Tate & Lyle board no longer recommends the Acquisition.

13.3 **Clean Team Agreement**

Ingredion and Tate & Lyle have entered into a clean team agreement dated 16 May 2026 (the "**Clean Team Agreement**") which sets out how any confidential information that is commercially and competitively sensitive can be disclosed, used or shared for the purposes of due diligence, synergies evaluation, planning transition and integration and regulatory clearance, in a manner that does not give rise to the infringement of antitrust laws.

13.4 **Confidentiality and Joint Defence Agreement**

Ingredion, Tate & Lyle and their respective external legal counsels have entered into a joint defence agreement dated 15 May 2026 (the "**Confidentiality and Joint Defence Agreement**"), the purpose of which is to ensure that the exchange and/or disclosure of certain commercially sensitive materials relating to the parties takes place only between their respective external legal counsels and external experts, and does not diminish in any way the confidentiality of such materials and does not result in a waiver of any privilege, attorney work product doctrine, right or immunity that might otherwise be available.

14. **DISCLOSURE OF INTERESTS IN TATE & LYLE**

Except for the irrevocable commitments referred to above, as at close of business on the Latest Practicable Date, neither Ingredion, nor any of its directors, nor, so far as Ingredion is aware, any person acting in concert (within the meaning of the Takeover Code) with Ingredion has:

- (a) any interest in, or right to subscribe for, any relevant securities of Tate & Lyle;
- (b) any short positions in respect of relevant securities of Tate & Lyle (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- (c) any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code in relation to Tate & Lyle Shares or in relation to any securities convertible or exchangeable into Tate & Lyle Shares; nor

- (d) borrowed or lent any relevant securities of Tate & Lyle or entered into any financial collateral arrangements relating to such securities.

'Interests in securities' for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to securities.

15. **TATE & LYLE SHARE PLANS**

Participants in the Tate & Lyle Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Tate & Lyle Share Plans and, where required, appropriate proposals will be made to such participants in accordance with Rule 15 of the Takeover Code in due course. Details of the impact of the Acquisition on rights under the Tate & Lyle Share Plans and any proposals that are required to be made under Rule 15 of the Takeover Code will be set out in the Scheme Document and in separate letters to be sent to participants in the Tate & Lyle Share Plans, including the actions such participants may take in respect of their rights under the Tate & Lyle Share Plans.

16. **ARRANGEMENTS BETWEEN INGREDION AND TATE & LYLE MANAGEMENT**

Tate & Lyle wishes to incentivise and retain key employees in the Tate & Lyle business in order to ensure the successful completion of the Acquisition and to protect the business to be acquired. Accordingly, Ingredion has acknowledged and agreed that Tate & Lyle may implement certain cash employee retention awards (of an aggregate value of up to £18 million (gross, excluding employer's social security costs/levies, but including employee taxes and any other applicable withholdings)) for approximately 100 Tate & Lyle Group employees identified as being business critical (the "**Retention Awards**"). Except as described in the Co-operation Agreement and subject to certain Tate & Lyle remuneration committee discretions, 50 per cent. of each such award will be payable as soon as reasonably practicable following the Effective Date and the balance will be payable as soon as reasonably practicable following a date falling three to twelve months (depending upon the employee's role) after the Effective Date. Subject to certain Tate & Lyle remuneration committee discretions as described in the Co-operation Agreement, payment under a Retention Award is generally subject to the relevant employee being employed by the Tate & Lyle Group or Ingredion Group on, and not having resigned prior to, the relevant payment date.

Nick Hampton, Chief Executive Officer of the Tate & Lyle Group and Sarah Kuijlaars, Chief Financial Officer of the Tate & Lyle Group will also receive cash retention awards of 150 per cent. and 125 per cent. (respectively) of their annual base salaries, subject to completion of the Acquisition and Tate & Lyle ceasing to be listed on the London Stock Exchange (the "**Delisting**") and requirements relating to continued employment (the "**Executive Retention Awards**"). Except as described in the Co-operation Agreement and subject to certain Tate & Lyle remuneration committee discretions, the Executive Retention Awards shall be payable as soon as reasonably practicable following the date falling three months after the Effective Date. The Executive Retention Awards are within (and not additional to) the £18 million limit and the approximately 100 Tate & Lyle Group employee pool described above.

As required by, and solely for the purposes of, Rule 16.2 of the Takeover Code, Goldman Sachs and Greenhill have (in their capacity as independent advisers to Tate & Lyle for the

purposes of Rule 3 of the Takeover Code), reviewed the terms of the Retention Awards and Executive Retention Awards as described above, together with other information deemed relevant by them, and advised Tate & Lyle that the Retention Awards and Executive Retention Awards are on market terms and are fair and reasonable as far as independent Tate & Lyle Shareholders are concerned. In providing their advice, Goldman Sachs and Greenhill have taken into account the commercial assessments of the Tate & Lyle Directors.

17. TATE & LYLE ADS PROGRAMME

The Tate & Lyle Shares underlying the Tate & Lyle ADSs will be included in the Acquisition. The entitlement of Tate & Lyle ADS Holders to the Cash Consideration and the Permitted Dividends under the terms of the Acquisition in respect of the Tate & Lyle Shares underlying their Tate & Lyle ADSs will be determined in accordance with the terms and conditions of the Deposit Agreement.

Tate & Lyle ADS Holders will not be entitled to vote directly on the Scheme or the Acquisition. Tate & Lyle ADS Holders that wish to vote directly on the Scheme or the Acquisition must surrender their Tate & Lyle ADSs to the Tate & Lyle Depositary, pay the Tate & Lyle Depositary's fees, charges and expenses (including any applicable taxes) in accordance with the Deposit Agreement and become holders of Tate & Lyle Shares prior to the Scheme Voting Record Time (in each case, subject to and in accordance with the terms of the Deposit Agreement). Tate & Lyle ADS Holders that wish to vote directly on the Scheme or the Acquisition should take care to surrender their Tate & Lyle ADSs in good time to permit processing to be completed by the Tate & Lyle Depositary and its custodian and to be entered on the Tate & Lyle register of members prior to the Scheme Voting Record Time. Tate & Lyle ADS Holders that hold ADSs through a broker or other securities intermediary should contact the intermediary to determine the date by which they must instruct that intermediary to act in order that the necessary processing can be completed on time.

It is intended that, following the Effective Date, the Tate & Lyle ADS Programme and the listing of the Tate & Lyle ADRs on the OTCQX will be terminated.

18. THE SCHEME

It is intended that the Acquisition will be effected by means of the Scheme between Tate & Lyle and the Scheme Shareholders (although Ingredion reserves the right to implement the Acquisition by way of an Offer, with the consent of the Panel and subject to the terms of the Co-operation Agreement).

The purpose of the Scheme is to provide for Ingredion to become the owner of the entire issued and to be issued share capital of Tate & Lyle. This is to be achieved by the transfer of the Scheme Shares to Ingredion, in consideration for which the Scheme Shareholders shall receive the Cash Consideration due on the basis set out in paragraph 2 of this announcement.

To become Effective, the Scheme must be approved at the Court Meeting by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at such Court Meeting (or the relevant class or classes thereof, if applicable) who are on the register of members of Tate & Lyle at the Scheme Voting Record Time, whether in person or by proxy, representing at least 75 per cent. of the votes attached to the Scheme Shares cast by those Scheme Shareholders (or the relevant class or classes thereof, if applicable). The Scheme also requires the passing of the Resolutions at the General Meeting. The General Meeting

is expected to be held immediately after the Court Meeting. Following the Meetings and the satisfaction or waiver of the Conditions, the Scheme must be sanctioned by the Court. Finally, a copy of the Scheme Court Order must be delivered to the Registrar of Companies for registration, upon which the Scheme will become Effective.

The Scheme will also be subject to the other Conditions (in particular the Material Antitrust Conditions highlighted at paragraph 6) and further terms set out in Appendix 1 to this announcement and to the full terms and conditions to be set out in the Scheme Document.

The Scheme Document will include full details of the Scheme, together with the notices convening the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Acquisition, and will specify the necessary actions to be taken by Tate & Lyle Shareholders. Subject to restrictions in respect of Restricted Jurisdictions, the Scheme Document will be sent to Tate & Lyle Shareholders and, for information only, to persons with information rights and participants in the Tate & Lyle Share Plans, as soon as reasonably practicable, and in any event (save with the consent of the Panel), within 28 days of this announcement.

The Scheme is expected to become Effective during the second half of 2027, subject to the satisfaction or (where applicable) waiver of the Conditions (including the Material Antitrust Conditions highlighted at paragraph 6). If the Scheme does not become Effective on or before 11:59 p.m. on the Long Stop Date, it will lapse and the Acquisition will not proceed (unless Ingredion and Tate & Lyle otherwise agree and the Panel otherwise consents).

As set out in further detail in the Condition in paragraph 2 of Appendix 1, the Scheme will also lapse if, amongst other things, any of the Court Meeting, the General Meeting and/or the Court Sanction Hearing is not held on or before the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date as may be agreed between Ingredion and Tate & Lyle).

Upon the Scheme becoming Effective: (i) it will be binding on all Tate & Lyle Shareholders, irrespective of whether or not they attended or voted at the Meetings (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Tate & Lyle Shares will cease to be valid and entitlements to Tate & Lyle Shares held within the CREST system will be cancelled. The Cash Consideration will be despatched to Tate & Lyle Shareholders no later than 14 days after the Effective Date.

Any Tate & Lyle Shares issued before the Scheme Record Time which remain in issue at the Scheme Record Time will be subject to the terms of the Scheme. The Resolutions to be proposed at the General Meeting will, amongst other things, provide that Tate & Lyle's articles of association be amended to incorporate provisions requiring, among other things and subject to the Scheme becoming Effective, any Tate & Lyle Shares issued or transferred after the Scheme Record Time (other than to Ingredion and/or its nominees) to be automatically transferred to Ingredion (or as Ingredion may direct) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of Tate & Lyle's articles of association (as amended) will avoid any person (other than Ingredion, its nominees and any person to whom Ingredion may direct the transfer of Tate & Lyle Shares after the Effective Date) holding and retaining Tate & Lyle Shares after the Effective Date.

Ingredion reserves the right to elect to implement the Acquisition by way of an Offer as an alternative to the Scheme (with the consent of the Panel and subject to the terms of the Co-operation Agreement). In such event, the Acquisition would be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in

method of effecting the Acquisition (including, without limitation those required by, or deemed appropriate by, Ingredion under applicable law, including US securities law). Further, if sufficient acceptances of such Offer are received and/or sufficient Tate & Lyle Shares are otherwise acquired, it is the intention of Ingredion to apply the provisions of the Companies Act 2006 to acquire compulsorily any outstanding Tate & Lyle Shares to which such offer relates.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the FCA and the Registrar of Companies.

19. CANCELLATION OF TRADING AND RE-REGISTRATION

Tate & Lyle Shares are currently admitted to trading on the Main Market of the London Stock Exchange. It is intended that a request will be made to the London Stock Exchange to cancel trading in Tate & Lyle Shares, and to re-register it as a private limited company, to take effect shortly after the Effective Date.

It is expected that the last day of dealings in Tate & Lyle Shares will be the Business Day after the Court Sanction Hearing and that no transfers will be registered after 6.30 p.m. (London time) on that date.

On the Effective Date, any share certificates held by Tate & Lyle Shareholders in respect of Tate & Lyle Shares shall cease to be valid and should be destroyed.

Further information

This announcement is for information purposes only and is not intended to, and does not, constitute or form part of any offer or inducement to sell or an invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of, any securities or the solicitation of an offer to buy any securities, any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise. The Acquisition will be made and implemented solely pursuant to the terms of the Scheme Document

(or, if the Acquisition is implemented by way of an Offer, the Offer Document), which will contain the full terms and conditions of the Acquisition, including details of what action is required from Tate & Lyle Shareholders and Tate & Lyle ADS Holders in respect of the Acquisition. Any decision in respect of, or other response to, the Acquisition should be made only on the basis of the information in the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document).

Tate & Lyle and Ingredion shall prepare the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) to be distributed to Tate & Lyle Shareholders. Tate & Lyle and Ingredion urge Tate & Lyle Shareholders to read the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) in its entirety when it becomes available because it will contain important information relating to the Acquisition.

This announcement does not constitute a prospectus or prospectus equivalent document.

Ingredion reserves the right to elect to implement the Acquisition by way of an Offer as an alternative to the Scheme (with the consent of the Panel and subject to the terms of the Co-operation Agreement). In such event, the Acquisition would be implemented on substantially the same terms, so far as applicable, as those which will apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in method of effecting the Acquisition (including without limitation those required by, or deemed appropriate by, Ingredion under applicable law, including US securities law). Further, if sufficient acceptances of such Offer are received and/or sufficient Tate & Lyle Shares are otherwise acquired, it is the intention of Ingredion to apply the provisions of the Companies Act 2006 to acquire compulsorily any outstanding Tate & Lyle Shares to which such offer relates.

Overseas Shareholders

This announcement has been prepared in accordance with and for the purpose of complying with the laws of England and Wales, the Takeover Code, the Market Abuse Regulation and the Disclosure Guidance and Transparency Rules and information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside England.

The release, publication or distribution of this announcement in or into jurisdictions other than the United Kingdom may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves of, and observe, any applicable requirements of their jurisdictions.

The availability of the Acquisition to Tate & Lyle Shareholders who are not resident in and citizens of the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in and citizens of the United Kingdom should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in and citizens of the United Kingdom to vote their Tate & Lyle Shares with respect to the Scheme at the Court Meeting, or to execute and deliver forms of proxy appointing another person to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Ingredion or required by the Takeover Code, and permitted by applicable law and regulation, participation in the Acquisition will not be made available, directly or

indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction and persons receiving this announcement and all such documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any Restricted Jurisdiction where to do so would violate the laws in that jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition. If the Acquisition is implemented by way of an Offer (unless otherwise permitted by applicable law and regulation), the Offer may not be made directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of, a national, state or other securities exchange of any Restricted Jurisdiction and the Offer shall not be capable of acceptance by any such use, means, instrumentality or facilities.

Further details in relation to Overseas Shareholders will be contained in the Scheme Document.

Notice to US Tate & Lyle Shareholders and Tate & Lyle ADS Holders

Tate & Lyle Shareholders in the United States and Tate & Lyle ADS Holders should note that the Acquisition relates to the shares of a company incorporated in England and Wales listed on the Main Market of the London Stock Exchange and is proposed to be made by means of a scheme of arrangement provided for under, and governed by, the laws of England and Wales.

A transaction effected by means of a scheme of arrangement is not subject to the US tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Scheme will be subject to the disclosure and procedural requirements and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules. In addition, Tate & Lyle Shareholders in the United States and Tate & Lyle ADS Holders should be aware that this document has been prepared in accordance with UK format and style, which differs from US format and style.

If, in the future, Ingredion exercises the right to implement the Acquisition by way of an Offer (subject to the consent of the Panel and the terms of the Co-operation Agreement) and determines to extend the offer into the United States, such Offer will be made in compliance with all applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act. Such an Offer would be made in the United States by Ingredion and no one else.

In accordance with normal United Kingdom practice and consistent with Rule 14e-5 under the US Exchange Act, Ingredion, certain of its affiliated companies and the nominees or brokers (acting as agents) of Ingredion and/or such affiliated companies may from time to time make certain purchases of, or arrangements to purchase, Tate & Lyle Shares outside such Offer during the period in which such Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made they would be made outside the United States either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including, to the extent applicable, the US Exchange Act. Any information about such purchases would be disclosed as required in the United Kingdom, would be reported to a Regulatory Information Service and would be available on the London Stock Exchange website at www.londonstockexchange.com.

The financial information relating to Tate & Lyle included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) has been

or will have been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States (“US GAAP”). US GAAP differs in certain respects from accounting standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

The receipt of consideration by a US Tate & Lyle Shareholder or a US Tate & Lyle ADS Holder for the transfer of its Tate & Lyle Shares, or Tate & Lyle ADSs, as applicable, pursuant to the Acquisition may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as non-US and other, tax laws. Each Tate & Lyle Shareholder and Tate & Lyle ADS Holder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable US federal, state and local, as well as non-US and other, tax laws.

It may be difficult for US holders of Tate & Lyle Shares and Tate & Lyle ADS Holders to enforce their rights and any claim arising out of the US federal securities laws or to enforce against Tate & Lyle a judgment of a US court predicated upon the securities laws of the United Kingdom, since Tate & Lyle is incorporated in a non-US jurisdiction, and some of Tate & Lyle’s officers and directors are residents of countries other than the United States. US holders of Tate & Lyle Shares and Tate & Lyle ADS Holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court’s jurisdiction or judgement.

Neither the United States Securities and Exchange Commission (the “SEC”) nor any securities supervisory authority of any state or other jurisdiction in the United States has approved or disapproved the Scheme or reviewed it for its fairness, nor have the contents of this announcement been reviewed for accuracy, completeness or fairness by the SEC or any securities supervisory authority in the United States. Any representation to the contrary is a criminal offence in the United States.

Cautionary note regarding forward-looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Ingredion and Tate & Lyle contain certain statements which are, or may be deemed to be, “forward-looking statements”. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Ingredion and/or Tate & Lyle (as the case may be) about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as “anticipate”, “target”, “expect”, “estimate”, “intend”, “plan”, “goal”, “believe”, “hope”, “aims”, “continue”, “will”, “may”, “should”, “would”, “could”, or other words of similar meaning or derivatives thereof. These statements are based on assumptions and assessments made by Tate & Lyle and/or Ingredion in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors described in the context of such forward-looking statements in this announcement could cause actual results, performance or

developments to differ materially from those expressed in or implied by such forward-looking statements. The factors that could cause actual results to differ materially from those described in the forward-looking statements, include, but are not limited to: the ability to complete the Acquisition, the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms, changes in the global, political, economic, business or competitive environments and in market and regulatory forces, changes in financial regulatory matters, changes in future exchange and interest rates, changes in tax rates and future business combinations or dispositions.

Although it is believed that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and you are therefore cautioned not to place undue reliance on these forward-looking statements, which speak only as at the date of this announcement. Neither Tate & Lyle nor Ingredion assumes any obligation to update or correct the information contained in this announcement (whether as a result of new information, future events or otherwise), except as required by applicable law.

Dealing and opening position disclosure requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company; and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company; and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant

securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Publication on a website

In accordance with Rule 26.1 of the Takeover Code, a copy of this announcement and other documents required to be published under Rule 26 of the Takeover Code will be made available, subject to certain restrictions relating to persons resident in Restricted Jurisdictions, on Tate & Lyle's website at www.tateandlyle.com and Ingredion's website at www.ingredion.com by no later than 12 noon (London time) on the first Business Day following the date of this announcement. No profit forecasts, profit estimates or quantified benefits statements

The Tate & Lyle Statement set out in paragraph 9 and Appendix 4 is a profit forecast for the purposes of Rule 28 of the Takeover Code. The Tate & Lyle Statement (and the assumptions and basis of preparation of the Tate & Lyle Statement, as well as the relevant confirmations from the Tate & Lyle Directors) as required by Rule 28.1 of the Takeover Code is set out in Appendix 4 of this announcement.

Save for the Tate & Lyle Statement set out in paragraph 9 and Appendix 4, no statement in this announcement is intended to constitute a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this announcement should be interpreted to mean that the earnings or future earnings per share of, or dividends or future dividends per share of, Tate & Lyle or Ingredion for the current or future financial years will necessarily match or exceed the historical published earnings or earnings per share or dividends per share of Tate & Lyle or Ingredion.

Requesting hard copy documents

Rounding

Certain figures included in this announcement have been subjected to rounding adjustments. Accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures that precede them.

General

If the Acquisition is effected by way of an Offer, and such an Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Ingredion intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act 2006 so as to acquire compulsorily the remaining Tate & Lyle Shares in respect of which the Offer has not been accepted.

Investors should be aware that Ingredion may purchase Tate & Lyle Shares otherwise than under any Offer or the Scheme, including pursuant to privately negotiated purchases.

If you are in any doubt about the contents of this announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor or independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom or, if not, from another appropriate authorised independent financial adviser.

General Conditions

3. In addition, subject as stated in Part B of this Appendix 1 and to the requirements of the Panel, Ingredion and Tate & Lyle have agreed that the Acquisition will be conditional upon the following Conditions and, accordingly, the necessary actions to make the Scheme Effective will not be taken unless such Conditions (as amended if appropriate) have been satisfied or, where relevant, waived:

Part B
Certain further terms

1. Subject to the requirements of the Panel and the Takeover Code, Ingredion reserves the right in its sole discretion to waive:
 - (a) the deadline set out in Condition 1 in Part A of this Appendix 1, and any of the deadlines set out in Condition 2 in Part A of this Appendix 1 for the timing of the Court Meeting, the General Meeting and/or the Court Sanction Hearing. If any such deadline is not met, Ingredion will make an announcement by 8.00 a.m. (London time) on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or extended the deadline in relation to the relevant Condition in accordance with the terms on which such deadline may be extended. In all other respects, Conditions 1 and 2 in Part A of this Appendix 1 cannot be waived; and
 - (b) in whole or in part, all or any of the Conditions in Part A of this Appendix 1, except for Conditions 1 and 2 which cannot be waived.
2. The Scheme will be subject to the fulfilment (or waiver, if permitted) of the Conditions (in particular the Material Antitrust Conditions highlighted in paragraph 6 of this Announcement) set out in Part A of this Appendix 1, to the further terms set out in this Part B of Appendix 1, and to the full terms and conditions which will be set out in the Scheme Document, and such further terms as may be required to comply with the provisions of the Takeover Code.
3. Ingredion shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied or fulfilled any of the Conditions that it is entitled (with the consent of the Panel and subject to the requirements of the Takeover Code) to invoke by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
4. If Ingredion is required by the Panel to make an offer for Tate & Lyle Shares under the provisions of Rule 9 of the Takeover Code, Ingredion may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
5. Under Rule 13.5(a) of the Takeover Code and subject to the remaining provision of this paragraph 5, Ingredion may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Ingredion in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise. Conditions 1 and 2 above and, if applicable, any acceptance condition if the Acquisition is implemented by means of an Offer, are not subject to Rule 13.5(a) of the Takeover Code. Particular attention is also drawn to the Material Antitrust Conditions as highlighted and described at paragraph 6 of this Announcement.
6. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Ingredion.

other third party rights and interests of any nature and together with all rights attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) announced, declared, made or paid, or any other return of capital (whether by reduction of share capital or share premium account or otherwise) made on or after the Effective Date (other than the Permitted Dividends).

8. If, on or after the date of this announcement but prior to or on the Effective Date, any dividend and/or other form of capital return or distribution (other than the Permitted Dividends) is announced, authorised, declared, made or paid or becomes payable in respect of Tate & Lyle Shares, and with a record date prior to or on the Effective Date, Ingredion reserves the right (without prejudice to any right of Ingredion, with the consent of the Panel, to invoke Condition 3(p)(ii) in this Appendix 1) to reduce the Cash Consideration by an amount up to the amount of such dividend and/or distribution and/or return of capital, in which case any reference in this announcement to the Cash Consideration will be deemed to be a reference to the Cash Consideration as so reduced. Any exercise by Ingredion of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme. In such circumstances, Tate & Lyle Shareholders would be entitled to retain any such dividend, distribution or other return of capital declared, made or paid which becomes payable. If and to the extent that any such dividend, distribution or other return of capital is announced, declared, made or paid or becomes payable and is either: (i) transferred pursuant to the Acquisition on a basis which entitles Ingredion to receive the dividend, distribution or other return of capital and to retain it; or (ii) cancelled before payment, the Cash Consideration shall not be subject to change in accordance with this paragraph 8. Any exercise by Ingredion of its rights referred to in this paragraph 8 shall not be regarded as constituting any revision or variation of the Acquisition.
9. Ingredion reserves the right to elect to implement the Acquisition by way of an Offer as an alternative to the Scheme (with the consent of the Panel and subject to the terms of the Co-operation Agreement). In such event, the Offer would be implemented on the same terms, so far as applicable, and subject to the terms of the Co-operation Agreement, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in the method of effecting the Acquisition (including, without limitation those required by, or deemed appropriate by, Ingredion under applicable law, including US securities law). Further, if sufficient acceptances of such Offer are received and/or sufficient Tate & Lyle Shares are otherwise acquired, it is the intention of Ingredion to apply the provisions of the Companies Act 2006 to acquire compulsorily any outstanding Tate & Lyle Shares to which such offer relates.
10. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
11. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.
12. This announcement and any rights or liabilities arising hereunder, the Acquisition and the Scheme, and any proxies will be governed by English law and be subject to the jurisdiction of the Court and to the Conditions (in particular the Material Antitrust Conditions highlighted at paragraph 6 of this Announcement) and further terms set out in this Appendix 1 and the

full terms and conditions to be set out in the Scheme Document. The Co-operation Agreement and any dispute or claim arising out of, or in connection with, it (whether contractual or non-contractual in nature) is governed by English law (save to the extent expressly set out therein) and is subject to the jurisdiction of the courts of England and Wales. The Acquisition will be subject to the applicable requirements of English law, the Takeover Code, the Panel, the London Stock Exchange and the FCA.

13. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
